On Petition For Writ Of Certiorari
To The: Tenth Circuit Of The United
States Court Of Appeals

MOTION FOR EXTENSION OF TIME
TO FILE PETITION FOR WRIT OF
CERTIORARI

Comes Now Anthony J Kee (prose) Petitioner,
is asking this Honorable Court for an extension
of time to file his Petition for Writ of
Certiorari, for review of decisions made
by the 10th Cir. Court of Appeals. Rehearing
on the issues was denied on November
22, 2019 by the Court of Appeals. (case # 18-14673) I am an
unrepresented inmate that has been prepar-
ing the writ of certiorari. I have limited
law library access for legal research and
document preparation. And the —

-prison unit that I am held in has been on lockdown since February 11, 2020 and there is no set date on when the lockdown will be over. I do not have access to prepare the Writ, make copies and provide the Court with a sufficient petition. I am requesting that the Court extends the time to file the Writ, due to the lockdown and limited law library access. I am asking the Court for an additional (30-45 days) to file the Writ. The end of the lockdown is undetermined and all of my information is on the law library computer system. As soon as the lockdown ends and I have quality time in the law library to prepare the Writ, I will submit ASAP. This request is just in case the filing date expires and I am not able to meet the deadline.

Respectfully submitted

Anthony J. Kee
