EXTENSION OF TIME
RULE 30

COPY RECEIVED

U.S. ATTORNEY'S OFFICE SDNY

I'm requesting an extension of time from the decision that was made on January 15, 2020 by the lower court. I requested an extension of time for #19-938 but I did not need an extension of time because the case was filed within the ninety day window. The holidays set me back financially so I need more time to accumulate the required fees to start this process.
