Re: *Chevron Corporation, et al., v. City of Oakland, et al.*, No. 20-1089  
Motion to Extend Time to File Response to Petition for Writ of Certiorari

Dear Mr. Harris,

I am counsel of record for Respondents the People of the State of California, acting by and through Oakland City Attorney Barbara J. Parker and San Francisco City Attorney Dennis J. Herrera (the “People”), and for Respondents City of Oakland and City and County of San Francisco in the above-captioned case. The petition for certiorari in this matter was docketed on February 9, 2021. The response is currently due on March 11, 2021. Pursuant to Rule 30.4, Respondents respectfully request that the time for filing a response be extended by 60 days, to and including May 10, 2021.

This extension of time is requested due to the press of counsel’s litigation commitments in other matters and the necessary time for review by public counsel for each Respondent. The extension of time also would facilitate preparation of a response that the undersigned counsel believes would be most helpful to the Court. Counsel for Petitioners do not oppose this extension of time.

Respectfully submitted,

/s/ Victor M. Sher
