Re: *Sandoz Inc., et al. v. Immunex Corporation, et al.* (No. 20-1110)

Dear Mr. Harris:

The petition for a writ of certiorari in the above-captioned case was filed on January 29, 2021 and placed on the docket on February 12, 2021. The response is currently due on March 15, 2021.

Under Rule 30.4 of the Rules of this Court, Respondents Immunex Corp. and Amgen Manufacturing, Ltd. respectfully request a 30-day extension of time, to and including April 14, 2021, within which to file their response.

The undersigned has a variety of obligations before various courts that would make it difficult to complete the response by the current deadline. These matters include preparing a reply brief due February 24, 2021 concerning punitive damages after remand from the Seventh Circuit in *Epic Systems Corp. v. Tata Consultancy Services, et al.*, No. 14-CV-748 (W.D. Wis.) and an April 2, 2021 oral argument in *Continental Casualty Co., et al. v. Certain Underwriters at Lloyds of London*, No. 20-2892 (7th Cir.). Additionally, I was traveling and away from home from February 12 to February 16, 2021.

Accordingly, Respondents respectfully request a 30-day extension of time.

Respectfully submitted,

/s/ Constantine L. Trela, Jr.
