Re: *Peyman Pakdel; Sima Chegini v. City and County of San Francisco, et al.*,
on Petition for Writ of Certiorari to the United States Court of Appeals for the
Ninth Circuit
(U.S. Supreme Court Docket No. 20-1212)

Dear Mr. Harris:

Respondent City and County of San Francisco, sued herein as City and County of San Francisco, San Francisco Board of Supervisors and San Francisco Department of Public Works (collectively "San Francisco"), requests an extension of time to oppose the Petition for Writ of Certiorari to and including May 3, 2021 pursuant United States Supreme Court Rule 30.4. The original deadline for filing such an opposition was April 2, 2021.

San Francisco requests additional time in order to review and respond to the amicus brief supporting the petitioner that San Francisco has been informed will be filed by the Cato Institute, and in order to allow for the added complexities associated with preparing and filing briefs in the context of the COVID-19 Stay-at-Home orders in place at this time. San Francisco contacted counsel of record for Petitioner, Jeffrey W. McCoy, on March 17, 2021. Mr. McCoy confirmed that Petitioners consent to the extension. San Francisco has not previously requested an extension to file its opposition brief.

The undersigned counsel is filing an Application for Admission to Practice before the Supreme Court concurrently with or shortly after the submission of this letter, and will appear as counsel of record for San Francisco in this matter.

Very truly yours,

DENNIS J. HERRERA
City Attorney
