QUESTIONS PRESENTED

1. The questions posed in the preceding course of appellate actions should be regarded as if entered here in their entirety.¹
2. Is Exhibit G. Oklahoma Conversations a complete, consistent and coherent *model* of the facts of this case? Were those facts already cognizable to this Court and to federal law enforcement *de jure? de facto?*
3. Do the service history as well as the content of 11-07-16 Motion for Custody and Relief demonstrate a “legitimate purpose” *per 22 O.S. §60?*
4. Were U.S. Constitution Article IV Section I and Amendment I adequately raised before both the trial and appellate courts between 11-07-16 and 11-07-20?
5. Were my words and deeds those of a malicious and dangerous, ex-spouse? Or those of the proudest “Sooner” parent protecting my beloved *niñas perdidas?*
6. Does a search of the Linearized Root Data for “Hispanic” or “Mexican” reveal any elements of race or gender profiling in this case?
7. Did the conviction and removal of Judge Kendra Coleman for “oppression in office” prejudice the final disposition of this case?

STATEMENT OF THE CASE

This U.S. Supreme Court is cognizant of the 250 Root Facts.²

On 11-07-16 I publicly begged the courts and federal law enforcement for relief for myself and for my beloved *niñas perdidas*.³ That same information was sent to local law enforcement and to the fiduciary leaders of the institutions thought to be harboring the Respondent as she fled civil suit and criminal accusations in Allegheny County, Pa.. On that same day, 11-07-16, I submitted my doctoral dissertation to Tulane University.⁴

If the agents served on 11-07-16 are *nodes* and the service and replies are *edges*, then the *graph* of the *meta-data* shows who knew what, when and what they did or did not do about it. Comparing that *graph* to the internal data of each of those agencies would correct my inadvertent errors as well as reveal critical breaks in the truth networks which inform and empower our great Republic.

REASONS FOR GRANTING THE PETITION

On 11-07-16 our beloved United States of America was beset by an existential crisis involving information, belief and even our shared sense of reality. Unfortunately, the attention of this Court, as well as the other powers of state, have since been enthralled by the voice of *Thrasymachus*, the prince of lies. A better alternative is to turn your attention around to those honest and loyal citizens who have toiled to make their gentle voices heard concerning matters of justice for us all, thereby restoring the primacy of truth in public discourse.

CONCLUSION

By granting review, this Court will gently disabuse the Oklahoma Courts of their errors through the use of universalizable, modern tools of reasoning, which respect the precise words, best intentions and private faiths of the ancient Founders. This petition for a writ of *certiorari* should thus be granted. Then, as I promised the late, Hons. Antonin Scalia and Ruth Bader Ginsburg:

“Finally, by merely allowing yourselves to be seen looking in my direction, you will effect immediate, transformative good for all, while long being remembered as just and wise and merciful.” - 10-24-13 U.S. Supreme Court 12-10508
