Re: Andalusian Global Designated Activity Co. et al. v. Fin. Oversight & Mgmt. Bd. for Puerto Rico et al., No. 20-126

Dear Mr. Harris:

On behalf of the Financial Oversight and Management Board for Puerto Rico (the “Board”), as representative for the Employees Retirement System of the Government of the Commonwealth of Puerto Rico, I am writing pursuant to Supreme Court Rule 30.4 to request a 30-day extension of time to file a response to the petition for a writ of certiorari in the above-captioned matter. The petition was docketed on August 6, 2020. Accordingly, the response is currently due on September 8. The requested 30-day extension would extend the due date to October 8, 2020. Counsel for petitioners consents to the requested extension.

The Board was established by Congress to oversee the restructuring of Puerto Rico’s massive public debt—the largest restructuring of public debt in American history. *See* 48 U.S.C. § 101(b). At present, the Board is litigating numerous adversary proceedings and appeals within the bankruptcy-like cases it has filed on behalf of the Commonwealth and its municipal entities. In light of the great number of matters the Board is handling, we respectfully submit that the requested extension is necessary to allow us to respond properly to the Petition.

Sincerely,

Martin J. Bienenstock
