Re: *William V. and Jenny V., Petitioners v. Copperas Cove Independent School District, Respondent*; **Case No. 20-1377**; Supreme Court of the United States

Dear Mr. Harris:

In connection with the referenced case, Respondent Copperas Cove Independent School District respectfully requests a 30-day extension to respond to Petitioners' Petition for a Writ of Certiorari. A 30 day extension would extend the deadline for Respondent's Opposition Brief from May 3, 2021 to June 2, 2021. The extension is requested due to difficulties related to the ongoing Covid-19 pandemic, including but not limited to the continued closure of all the law firm's offices and additional operating challenges, as well as other obligations.

I conferred via email with Petitioners' attorney, Andrew K. Cuddy, who stated Petitioners are not opposed to Respondent's requested extension.

If you have any questions, please do not hesitate to contact me at your convenience by phone at 1-800-252-3405 or via email at brobinson@wabsa.com.

Very truly yours,
