STATEMENT OF THE CASE

XCEI ERECTORS, was the defendant that, lied to everyone. Denying the case & not responding to production of any documents.

All case motion are for Excel Contractors Inc et al and yet does any company admit in record any incident or accident.

Being Hernandez is left with them admitting and no payment of all but one medical bill.

Hernandez has now life long injuries & his body is on going more issues related.

New evidence in support to proof Hernandez injuries are available, that have never been added to the case!

REASONS FOR GRANTING THE PETITION

The trial court granted summary judgment because no accident could be provided. Denial & no production of any phone call or documents.

This caused the wrong defendant to be named and an email & accident report have the same Supervisor Clifton Bond

This Supervisor Clifton Bond & others that took Hernandez to the doctor denied Attorney Danny C. Vidrine all evidence. This is also the second attorney that for a year tried to retrieve any and all documents.

Yet docket NO. 16-05792 D-9 State of Louisiana has the Company on documents. Admitting to the accident. This Company was asked by letters & phone calls. The email sent to Supreme Court of Louisiana docket NO 2020-C-00698 It has denial by this Clifton Bond & later the Company admits suck.

The issues are all on fair and Hernandez has had three surgeries. With only one medical bill paid.

CONCLUSION

The petition for a writ of certiorari should be granted.

Respectfully submitted,

Benny Hernandez
