**Re: *AMA Multimedia, LLC v. Marcin Wanat***  
No. 20-1430

To the Clerk of the Court:

We represent Respondent, Marcin Wanat, in the above-referenced case. Petitioner AMA Multimedia, LLC filed its Petition for Writ of Certiorari on April 8, 2021 and the matter was placed on the docket on April 13, 2021. Respondent's brief in opposition to the Petition for Writ of Certiorari is due on or before May 13, 2021. Pursuant to Rule 30.4 of the United States Supreme Court, we respectfully request a thirty (30) day extension of time to file a brief in opposition to the Petition for Writ of Certiorari. Because a thirty-day extension of time would mean Respondent's opposition to the Petition for Writ of Certiorari would be due on June 13, 2021, a Sunday, as set forth in Rule 30.1, Respondents respectfully request a due date of June 14, 2021.

I am counsel of record in this case and for the past week I have participated in a trial in the Eighth Judicial District Court of Nevada. I am currently preparing post-trial filings that are due in the week of May 10, 2021, and I also have multiple other deadlines during that week, and the following week in May.

For these reasons, we respectfully request a thirty (30) day extension of time, until June 14, 2021 under Rule 30.1, to file a brief in opposition to the Petition for Writ of Certiorari. On today's date, Mr. Randazza, counsel for Petitioner AMA Multimedia, was informed of Respondents' request for a thirty-day extension of time to file an opposition to the Petition for Writ of Certiorari. As of the filing of this letter, Mr. Randazza has not voiced an objection to this request.

Thank you for your attention.

Respectfully submitted,  
/s/ Jakub P. Medrala
