Re: *Corbello v. Valli et al.*, No. 20-1448
Request To Extend Respondents' Time To Respond To Petition

Dear Mr. Harris,

I write on behalf of Respondents to request a 25-day extension of time under Rule 30.4 to respond to the petition for a writ of certiorari in *Corbello v. Valli et al.*, No. 20-1448: from May 17, 2021 to June 11, 2021.

On May 6, I emailed Gregory Guillot, counsel of record for Petitioner, to ask if he would consent to an extension request. He informed me that he could not consent to any extension that would preclude the Court's consideration of the petition in June.

However, as I informed Mr. Guillot, Respondents are seeking the extension because of the ongoing challenges due to the COVID-19 pandemic: for example, we have not yet returned to our offices, and are still working from our homes. Under these circumstances, Petitioner fully utilized the 150 days she had to file her cert petition.* We also face several conflicting deadlines in May, including motion briefing in three U.S. District Court cases.

We appreciate the Court's consideration.

Respectfully,

cc: Counsel for Petitioner

* May 12, 2021: Respondents have amended this sentence from their May 11 filing to reflect that the Court had automatically extended the 90-day time to file cert petitions by 60 days.
