Re: *Marietta Memorial Hospital Employee Health Benefit Plan, et al. v. DaVita, Inc., et al.*, No. 20-1641

Dear Mr. Harris:

On January 31, 2022, we notified the Office of the Clerk that the Brief for Respondents submitted on January 19, 2022 inadvertently omitted information from the signature block found on the cover and signature pages. Following guidance from the Office of the Clerk, we submit this letter to inform the Court that the signature block should include a disclaimer after Jeremy W. Brinster's name with the following information: "Admitted to practice only in Texas. Supervised by members of the firm who are members of the District of Columbia Bar." We apologize for the omission and ask that this letter be placed on the public docket.

Sincerely,

Seth P. Waxman
