**Re: *Arthur Baisley v. International Association of Machinists  
and Aerospace Workers, AFL-CIO, Case No. 20-1643***

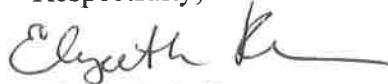

Dear Mr. Harris:

I represent Respondent International Association of Machinists & Aerospace Workers ("IAM"), in the above-named matter. The Petition for Certiorari in this matter was docketed on May 26, 2021, and Respondent's Brief in Opposition is currently due Monday June 25, 2021.

Pursuant to Supreme Court Rule 30.4, I am writing to request a 30-day extension of time, until Monday July 26, 2021, to file a Brief in Opposition. The extension is requested because we are a small sized law firm, and I will require additional time to prepare and draft a response which fully addresses the issues raised by Petitioner while also handling other preexisting professional obligations in June and July.

Thank you for your attention to this matter.

Respectfully,

Elizabeth A. Roma
