Re: *Hotop, et al. v. City of San Jose*
Docket No. 20-1755

Dear Mr. Harris:

This letter is submitted on behalf of respondent City of San Jose.

Petitioners Hotop et al. have filed a petition for a writ of certiorari, docketed on June 16, 2021. The City's response to the petition is due on July 16, 2021. The City respectfully requests a 45-day extension of time, to and including August 30, 2021, in which to file a response. The City requests and extension because amici curiae notified the City that they intend to file a brief to support the petition. The extension would give the City time to address that brief, if needed, in the brief in opposition. Additionally, the undersigned counsel of record in this matter has a pre-planned, pre-paid time off work from August 2 to August 13, 2021.

I certify that I am a member of the Bar of the Supreme Court of the United States.

Very truly yours,

NORA FRIMANN, City Attorney
