Maribeth and Molly,

We understand that the Athens County Engineer's road crews have been active on Dutch Creek Road over the past several days. We would appreciate any information that you can provide about what type of work is underway. You had indicated previously that the Engineer would provide 3 days notice of any pothole patching or other maintenance work on the 2 mile section of Dutch Creek Road and thirty days notice of any major repaving work. The Madej's have not received any notice regarding this recent activity.

On behalf of the Madej's we further renew their request that the Engineer refrain from any use of asphalt or chip seal on Dutch Creek Road from its intersection with Stanley Rd. to its intersection with SR550.

Again, we would appreciate any information that you can provide at your earliest opportunity.

Very truly,
