Counsel for Petitioner

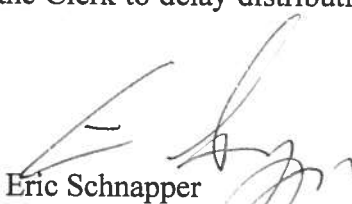

Pursuant to this Court's order of March 19, 2020, petitioner moves for a two-week delay of the distribution of the petition for writ of certiorari in this case, due to difficulties related to COVID-19.

The brief in opposition in this case was filed on October 16, 2020. Under the Clerk's ordinary practice, the petition for writ of certiorari would be distributed on Wednesday, October 28, 2020. If the motion to delay distribution is granted, the petition would be distributed on Wednesday, November 11, 2020.

The delay is requested because counsel for petitioners needs additional time to file a reply due to difficulties related to COVID-19. The University of Washington, where counsel's office is located, is closed except for certain exemptions not relevant here. In addition, individuals of the age of counsel for petitioners have been strongly advised by state and federal authorities to remain at home as much as possible. Preparation of the reply brief, under these conditions, will involve significant unavoidable delay.

Counsel for respondent does not oppose this motion.

Wherefore petitioner respectfully requests the Clerk to delay distribution of the petition for writ of certiorari until November 11, 2020.
