Re: *North Cypress Medical Center Operating Company v. Cigna Healthcare*, No. 20-378

Dear Mr. Harris:

I represent respondents in this case. The petition for a writ of certiorari was filed on September 18, 2020 and docketed on September 24, 2020. Respondents' brief in opposition is due, without extension, on October 26, 2020. Pursuant to Rule 30.4, I respectfully request a 30-day extension of time to file a brief in opposition, to and including November 25, 2020.

The extension is necessary in light of the press of other business, including proximate due dates in numerous other cases before this Court and pending appeals in the Second, Seventh, and Tenth Circuits and the D.C. Court of Appeals.

Thank you for your attention to this matter.

Sincerely,

cc: counsel of record for petitioner
