Re: Davis v. Washington, No. 20-5379 – Extension Request

Dear Mr. Harris:

On August 31, 2020, this Court requested that I respond by September 30, 2020 to the petition for a writ of certiorari in the above case. I have reviewed the petition and have begun to draft a response. However, I have deadlines pending in other cases during the month of September and I also am scheduled to appear before the Washington Supreme Court for oral argument on September 24, 2020. These preexisting obligations will make it difficult to prepare a proper brief in opposition to certiorari in this case by September 30th. For this reason, the State of Washington respectfully requests permission to file its brief in opposition two weeks later, on October 14, 2020.

Very truly yours,

James M. Whisman, WSBA # 19109
Senior Deputy Prosecuting Attorney
Attorney for Respondent

Today I sent a copy of this letter by electronic mail to David Koch, the attorney of record for the Petitioner.

I certify under penalty of perjury of the laws of the state of Washington that the foregoing is true and correct.
