Re: Davis v. Washington, No. 20-5379 – Extension Request

Dear Mr. Harris:

On August 31, 2020, this Court requested that I respond by September 30, 2020 to the petition for a writ of certiorari in the above case. Based on pre-existing deadlines, including a state supreme court argument today, September 24th, I asked for an additional 14 days to respond to this petition for certiorari. You graciously granted an extension of my deadline until October 14th.

Since that time, I have received notice that two organizations intend to file briefs in support of Davis' petition. In light of that additional material arriving soon, and because I am traveling this weekend to San Francisco for a short visit to celebrate my mother's 86th birthday, I would respectfully ask for an additional 16 days, until Friday, October 30, 2020, to file a brief in opposition.

Thank you in advance for considering this request.

Very truly yours,

James M. Whisman, WSBA # 19109
