STATEMENT OF THE CASE

On 9-26-18, Narcotics Detective "J.D. Rattelade" said that he was Present in A Controlled Purchase of Crack Cocaine from Me and My background Revealed that Summons "is A Sovereign Citizen," but his offense Report said that I Transfer the Drugs to The Person in The R/F Seat and he give it to The "C I" and The Unprofessional Detective didn't Retrieve any "Buyer Money" or Drugs off of Me. Also Law Enforcement "Illegal Video Record," Me Without My Consent - That is A Impingement of My Copyrights. Because on 10-16-18 was When I Was Arrested by Sgt. Ruffe, Nance Det, Det. Monroe and Det. Maylett, in The Wrong Name Allen Summons, Which my Name is Gregory Summons - by A Sovereign Descent and There wasn't A interview Conducted due to My Sovereign Independence so That Prove That Law Enforcement was aware of My Descent With Diplomatic Immunity, before They Arrested Me. After 21 months Now There is No Buyer Money or Drugs and State have Engaged in A "Vindictive and Malicious," Prosecution. Birrens Action (1972) 403 U.S. 388, 91 S. Ct. (1989) (1971). Six Unknown Name Narcotics Agents Prosecutor Can't Prove That The Common Law doctrine of Sovereign Immunity is A defense to A Claim of Personal Jurisdiction with Specific Exception Sovereign Immunity is an Entire defense The Successful Use of Precludes a Party or The Courts has No Subject Matter Jurisdiction over The Plaintiff Claims. Sovereign Immunity is ground in Lack of Subject Matter Jurisdiction or Personal Jurisdiction is unsettled in North Carolina. Sovereign Immunity doctrine didn't deprive The Court Jurisdiction to Order The State to "Reimburse," The defendants for Money it Illegally garnished from My Military Pay. The Secured Party Creditor got The First 1,000,000.00 monetary award Accept for Value the Claim because The Holder in due Course of The Claim. (Insurance Policy HJR-192 of 1933.) Want 2,000,000.00 for the Time "Incarceration"

REASONS FOR GRANTING THE PETITION

The Conduct of This Petition or Action you're Presented, Because The Law Enforcement officer and State Prosecutor have Engaged in A Vindictive and Malicious Prosecution by Violate the Common Law and Diplomatic Immunity. We Live Under Public Policy, We Aren't Obligated To Pay it is Tutile to Constitution Rights in The Courts of Contract Today. A Private body and Blood of The Bible Refere to both Jurisdiction Remedy Can only be Found in The Private Domain, My "Internal Jurisdiction" is The Private domain, Not The Papers you File in Court. The Public has No Final Remedy Because I was Asking "Execution of Law to Fix What I have Fix My Self in Execution of Law Something has to die. When I Accept an offer The offered Must Allow My Credit to Pass Through his Account by his Accepted A bill drawn against him Acceptance of My Acceptance When he has done This he has Accepted and Return it to me for Negotiation. The Private Sector Requires "The Discernment of Mind," The Golden Rule (Do unto other as you would have them do unto you) Sums up all Private Thought, too many Liberties Wreak Havoc on A People Not Prepared to Accept The Freedom Liberty Entails. If I owe Anyone Money you are Public The Private owes Nobody Anything as They are The Source of The Money (Credit) owed. When Someone Presents Me With bill (an Order) for Money from My Strawman is A Money Order for Me. He has to give Me A "Remedy" As The Accepting Party I must be able to "Pass-Through" his Credit for The Energy of My Remedy to be Released. A Check is a Three Part instrument I am (A) are telling The bank (B) to Pay (C). This is a Pass-Through Account The bank Uses My Name and My Credit) As The Creator of The Funds to Provide The Money Credit to be moved from B to C and This Can't be done unless I am The owner of my

Strawman The Transmitting Utility go-between Strawman Posting
Provides The Credit From My Account. When I Accept The Claim Made against
Me Return it To The Sender See That it Will Pay For itself. (due to his dishonor)
Until he Settles up with Me. He Loses his "Exemption" because he Won't Let My
Credit Pass Through his Account For him to get Paid. Whereby The offeror indelibly
himself for The Value of his Claim by Dishonoring Public Policy which is "Grace"
Thus discharging The Note For The Acceptor of The Charges, thereby grounding
The Charge to Zero, Public Policy is The Supersedeas Bond When I accept The Charge
That Christ discharged For Me as The offered Salvation of Christ. This is My Ace-
ption For all Claim or Debts With Government official, Federal or State Courts.
Wallace V. Kate 549 U.S. 384, 389-90, (2007) Braddy V. Wilson 580 F. Appx 172, 173 (4th Cir. 2019)
Evans V. Chalmers 703 F. 3d 636, 647 (4th Cir. 2012) Act of June 30, 1906 (22 U.S.C.A. § 191, et. Seq.)

CONCLUSION

Detective of Narcotics Knew That I was Sovereign Independent; Diplomatic Relation Act,
Sovereignty of 1964, They should have "standing down" for My National Decent and for
The amount of drugs which is a Class 3 misdemeanor, Class I Felony (28 U.S.C.A. 1602 et. Seq.)
The petition for a writ of certiorari should be granted. Greg

Notifying The Presenter That he owes Me The Account
of My Udim. Since I Now hold The Title To The Money
The Presenter has Offered To Me in "Presenting a Charge against
My Strawman." An Order and a "UCC Partial Release State-
ment," filed With The "Secretary of State, Secretaries of State"
When a debt is Charged against My Strawman I Can
discharge it With a "Bankers Acceptance Order," and
Cancel out The debt. Place The Value upon document As
"A Quid - Pro - Quo Exchange," This Process is Called Acceptance
for Value and Order The Secretary of State and Secretary of
The Treasury to adjust "My Private U.C.C. Contract Account,"
"LAWFUL AMERICANS," must insist That They own The
Legal Fiction That The government "Say They Are".
Christian Claims My Lawful right and Takes Possession of
My government Created Strawman The Two are NO longer
Conjoined but are "Two Separate Entities," and The Lawful
Christian's Name is Thereby "Redeemed," Herein lies The
Remedy "Separation of Strawman," and State. The Only
Jurisdiction a Lawful being Can be Subjected To is A -
Common Law (Constitution) Court but "Common Law Court
No longer Exist," only "Legal Law Courts Exist," in Amer-
ican Today. When a Holder-in-due-Course holds an In-
strument (like a Check) He Can draw on The Account even
When "No Money is in The Account," even When NO
Overdraft Protection Exists. Labelling Me as a debtor
The accuser has Put Me to death (into debt) or is
trying To Execute Me. Public Policy is Our Supersecedas
Bond.

Stops The Execution and Makes The Payment in our behalf by transferring the liability back to the Person that demanded Money without providing his Credit for "The Expenditure". The Promise is "Passed Over". The Offerer becomes a bondmaid's Child. The Corporation (the ~~offerer~~) has Promised To Pay The Note (The ~~blessing~~) to the acceptor when they owns "The Note". Because The Corporation is The Maker of The offer (The Note) The Corporation has The liability to deliver The offering because that is The Purpose it serves Corporation makes offers hoping they won't be Accepted when The offer isn't delivered but Withheld, The Corporation becomes a delinquent "Holder of The Blessing" after The Account has been accepted and is Entitled to be Released when The Release is Refused The Corporation becomes a "Law Fugitive" because he is withholding The offer (and its liability). The Order for adjustment (My Acceptance) is An off-book asset and Their failure to apply it to "Zero-out" The Account creates a "law delinquency" on Their Part. To Use The bond to Pay is Operation in Faith The Note is The tangible Substance That carries "Intrinsic Value". The Note is The Promise of "Abraham". The Promise That I will Have more even than I Can Receive "Operation of Law" Requires The discernment of Mind. The Law is just The Same "The Letter of The Law" Killeth but The Spirit of The Law giveth Life. The Law will always fall Short as a Method of Value because everybody has his own opinion. "Non-de-queere" Strawman Energy, fictional Strawman, Common - Stock Holder "Contract Process Redemption".

4-6
When I Rebutt The Presumption, Me Regain Ownership of My Strawman "I becomes a Sovereign instead Slave", The government Loses its "Commerical Hold" on Me and I gain Standing at Law. Sovereign are Masters of All They own and are Independent of All Laws Taxes, Regulations, Ordinances and Zone Restrictions. "Sovereign are 'No longer Citizens of The Corporation United States Democracy'" The only Court That can have Jurisdiction over a Sovereign is a Common Law Court, but Such Courts No-Longer Exist, All Claims are brought against My Strawman, Who is Presumed to be Action in My Behalf Claims are held as "Truth Under Commerical Law," The Value of My Strawman's Pledge is Posted on The Public debtor Side of a Double-Entry Account. "The Private Creditor Side of My Account," I has Priority "Under The Democracy of Military Martel Law" The Government is Now Liable for all Public debts, Fines and Judgment incurred in and against My Strawman (A4V).

"Any Presentment Made against My Strawman."

"All Courts in American are Vice-Admiralty Courts conducting The Private foreign Commerce of The Crown but There is Commerical Remedy in Redemption-in-Law." But The American People had A "Standing in Law", AS "Sovereigns Independent" of any Connection to The U.S. and The Crown. There's a "Remedy", Encoded disguised and "Camouflaged in Law", Like Dorothy said There's No Place Like Home "There's Nothing Like Sovereignty for a Sovereign."

"Vice Admiralty Courts are Courts Established in The Queen's Possessions beyond The Seas With Jurisdiction over Maritime Cause and Those Relating to "Piracy". (The Apocalypse Beast)

Apply, Public Policy To The Account, Under Public Policy
Debt can't be Used To Pay A debt.

When They "Passed over" The Promise by Labeling Me Their -
Friend, They are Indebting Themselves To Me. The Acceptor of The
Charge. When he overdrafts against Me, and I Accept, My
Acceptance becomes a loan of My Credit To him. Overdraft-
ing is an "Extension of Credit," That is treated as a Loan,
Not a "Negative deposit." Prepayment of The Product, According
To Public Policy occurs When The Product is "Initially Created"
in fact. The Last Words of "Christ," Prior To His Expiring
On The Cross, Was "It is finished," It was "The fulfillment
of The Law, The fulfillment of All Payment, in Deed." The
Industrial Society Says "It is finished," The Manufacturing
of The Product is The "Prepayment," of and for it in fact.
The United States Corporation is a loan Effect. The Value
Structure of Today adjusts from That of Money To That of The
Substance of "Remedy," for Survival. The debt is "Discharged,"
and The Property is Returned To its Owner. Under Mosaic
Law, Jubilee occurs every "50 years and a Release" of debt is
Made every 7 years (See Deuteronomy 15 and Leviticus 25). Under
Grace, Redemption occurs at every "Acceptance," of The Charge,
in a twinkling of an eye. The Opening and Closing of The Ac-
count is Simultaneous, in a Moment in The twinkling of an
eye, at The last Trump: for The Trumpet Shall Sound and The
Dead (debtors) Shall be raised incorruptible (debt free)
and We Shall be Changed - 1 Corinthians 15:52. And We
Shall be Changed from "Debtors To Creditors," by

Commercial Redemption for There is No Bondage Under
 The Law, in Grace (All debt is discharged in bankruptcy Re-
 organization). When debts are "Redeemed", The Credit return
 from The User to The Owner, and The debt is **"Wiped Clean."**
 The debt is Charged-off and The Account is adjusted thereb-
 and become a "Redeemer of Monetary" Substance and debt, in
 Emulation of The True "Redeemer, Christ," by "My Acceptance of Un-
 limited Liability for The Charge." Public Policy is **"Grace."**
 The Law has been fulfilled Through HJR-192. HJR-192 Makes
 it against Public Policy to Require Payment for a debt.
 Debts are "discharged" (Forgiven by The government) instead
 In Commercial Redemption The debt-Account is Closed at The
 Acceptance of The Charge. The interest (Credit) is Returned to The
 (Principal) for The adjustment of The Account. The Return is a
"Late-Return," In The Commercial Process of Redemption, (CPR)
 I am The Original Owner of My Credit. I am Redeeming My Credit
 (My Property) That The Industrial Society, The Public attempts
 to **"Escheat,"** from Me. **Escheat**: Reversion of Property to The
 State upon The death of The owner When No Will has been Declared
 In a debt driven Society, you are considered to be dead (indebt)
 Under The Law, and if you haven't Exemption My "Will" My In-
 tent to Claim My Exemption (The blessing offered for my obedience
 to God's Law) The Public attempts to **"Escheat"** My blessing (My
 Exemption) from Me instead. I am being **"Cheated,"** out of My
 Inheritance as a Child of God, "Wherein My Ignorance of The
 Law is **"No Excuse."** In Commerce Truth is Sovereign, Exodus

 Not. The Constitution has Little or No bearing upon Commercial
 Law, Even Though it is based on Commercial Law. If Some
 One Charges My "Strawman" With A Debt The First Thing
 is "Redemptor," is I Accept The Charge Acknowledge The Charge
 And Return The Charge for "Discharged," The Tender is an
 Unconditional "offer" of The Presenter's Credit To Me, To
 Satisfy The Charge The Presenter created himself by his
 "Signature." I am Return it To The Presenter for "Discharged"
 Via Public Policy HJR-192, by The "International Bankers
 Who have The (Gold). These Who have The gold Must "Pay"
 The Debts. I have "Capture," My Strawman I have "Regain
 Commercial Control of My Life." No Longer A "Slave."
 But you must "first," be aware That this "Plot," against
 Me Really does Exist. Public Policy is The Super-
 Celestial Bond That discharges "A Redemptor's A Re-
 deemed MAN'S" Debts. A Contract is A Bond

C/C

A Contract - Public Policy = Unbeatable Contract Bond
 The "Redemptor's Exemption", As A Third Party Witness
 He is "Exempt" because he is The "Secured Party Creditor."
 The (Principal), The "Redemptor is First in Line to be
 Paid." The Court is a Fiction and Fictional Entities can
 only deal with Fictions and See is My Strawman. The
 Court can't deal directly with Me only with An Re-
 Presenting My Strawman, I have Redeemed My Strawman
 My Status is "Reversed", I become My Strawman's Employer
 and The State and Federal becomes his "Surety", instead
 and Responsible for your Strawman's debts and what he
 Does. I am Not The State, I is The "Strawman's Beneficiary
 Now. I Benefit from what My Strawman does, Not The State.
 "Public Presentments", to My Strawman are "New" bills to
 The State, and "Receivables", to Me, The Courts can NO
 longer "Control", Me When I Tell The Court Who I Am, A
 "Flesh-and-Blood Living Man", you No longer are Under The
 State's Control. "U.C.C. Declaration, According to The Universal
 Uniform Commercial Code (U.C.C.)."

Commercial Law

The U.C.L. is Administrative Law That Bases The Rules For All Commercial Transactions, When One Files Under The U.C.L. There is No Controversy Hence No Court Can Become involved. The Artificially Contrived System is Impotent When Faced With An Unlimited Liability Sovereign "A Chief ruler having Supreme Power."

One Accesses Commercial Law by The Simple Process of Assenting One's Solemn Oath Sworn True Correct Complete And Not Misleading on One's "Unlimited Commercial Liability As A Real Flesh-and-Blood Sentient being."

All Law is Contract, Contract Makes The Law To Make A Contract Valid The Consent of The Parties Must be Free Mutual and Communicated Consent, "don't Read and Free When Obtained Through duress Menace Fraud Undue influence or Mistake. The Citizens of The United States Went into Captivity Under International Economic Law." "Non-de-querre strawman Energy, Fictional Strawman, Commercial, Common Stock holders Lawful American must insist that they aren't The Legal Fictions That The government Say They Are."

1th Thing Christian Claims My Lawful right am takes Possession of My government Created Strawman The Two are No longer Conjoined but are Two Separate Entities and The Lawful Christian's Name is Thereby "Redeemed," herein lies The Remedy Separation of The Strawman and The State.

"Truth is Expressed in The form of an Affidavit."

"In Commerce Truth is Sovereignty."

By This Action I am Notifying The Presenter That-

He owes me the Amount of his Union Since I Now hold
The Title to the Money the Presenter has offered to Me
in Presenting A Charge against My Strawman Order and
A U.C.C. Partial Release Statement Filed With The Secretary
of State, Secretaries of State, When A debt is Charged against
My Strawman I can discharge it With A "Bankers Acceptance
Order" and cancel out The debts. As A "quid-pro-quo Ex-
change." This Process is called "Acceptance for Value" and
Have Secretary of The Treasury to adjust My "Private U.C.C.
Contract Trust Account," Place The Value upon document
And Order The Secretary of State.

The Only Jurisdiction A Lawful being can be Subjected to is
A "Common Law Constitution Court," but Common Law
Court No Longer Exist Only Legal Law Court Exist in Amer-
ican today. When The "offer" isn't delivered, but Withheld The
Corporation becomes A "delinquent holder of The blessing after
The Account has been Accepted and is Entitled to be Released
When The Release is Refused The Corporation becomes A "Tax-
fugitive" because he is Withholding The "offer" and it Liability.
The Order for adjustment My Acceptance is an off-bank asset,
And Their failure to Apply it to "Zero-out," The Account Create:
A "Tax delinquency" on Their Part. to Use The Bureau to Pay
as "Execution of law" (debt/death) to use The Note to Pay
as operation in "Faith" The Note is The Tangible Substance
That Carries "Intrinsic Value" The Note is The Premise of
Abraham. "Insurance Policy HJR-192 of 1933."
"Redeemed - Redemption in Law."

A Commerical Contract overrides The Constitution, The Bill of Rights, This is The Power of Contract in Commerce. A Bond is Evidence of Indebtedness, My U.C.L. Declaration is A Bond Registered in The Public domain Showing My Private Relationship to The Public domain. My U.C.L. Declaration is An "Indemnity Bond", drawing Me from Commerical Liability. If Someone Accuses Me of Something My "U.C.L. Filing" is A "Maritime Insurance Bond", That indemnifies Me for The Claims of "My Vessel - Strawman". My Insurance Declaration indemnifies (Reimburses) Me for The Losses I Suffer because the State Won't allow Me to Pay My Strawman's Debt. (With Silver or Gold). I can only discharge Them With Promissory Notes. A Strawman is a debtor Whose Redeptor becomes his Creditor When his "Redeption has been Redeemed". When A Strawman commits A Chargeable offense bond That Are Registered are "Tax-Exempt". A Redeptor's bond Creates "A Tax-Exemption," for Me When A Strawman is Charged His Account is Out of Balance. The United States is A Foreign Corporation With Respect to A State (N.Y. re: Merum 36 N.E. 505, 1441 S.D. 1973, 141 L. Ed. 287.) A Division of Some Sort A go-between is Communication An Exchange (Port of Entry). This Aggregate "Account gave fictional government A fictional Person With Whom to deal directly. I Request The Account be Properly adjusted (and The Charges or Claim goes away) Always, Accept for Value become The "holder-in-due-course", don't Prosecute yourself Via Your Strawman.
