RE: Corrections — Petition for Rehearing letter

On November 20th, 2020 (Friday), at approximately 7:06 PM CST, I received legal mail from the Supreme Court of the United States stating that my letter to the Supreme Court asking for a rehearing was returned to me "for failure to comply with Rule 44 of the Rules of this Court."

Your letter also stated "The petition must briefly and distinctly state its grounds and must be accompanied by a certificate stating that the grounds are limited to intervening circumstances of substantial or controlling effect or to other substantial grounds not previously presented."

Dear Supreme Court of the United States, I do not have access to the Law Library because the current institution that I'm confined to has modified its operations due to the COVID-19 pandemic, where I am—because of scheduling—prevented to comply with your request to comply with Rule 44 of the Rules of the Supreme Court.

I don't know what to do. What can I do?

Because of the above-mentioned circumstances, I am requesting that the Court appoint me an attorney if possible, and/or additional time to try and wait until Oxford F.C.I.'s operations return to normal so that I could research and look-up relevant case-law and rules, et cetera.

Without the ability to research caselaw, rules, statutes, provisions, and without even a typewriter, I am still going to attempt to comply with your request(s), especially Rule 44.

PETITION FOR A REHEARING

Corrections and/or Additions
(Per Rule 44 of the Court)

Grounds:

- #One) Because of the COVID-19 pandemic, access to the Law Library here at Oxford F.C.I. is unavailable to me in order to prepare any/all legal material.
- #Two) The Department of Homeland Security and/or with the Department of Criminal Investigation failed to safeguard/preserve critical evidence essential to winning my Jury Trial. (That evidence is the "lost/destroyed" surveillance footage.)
- #Three) The Jury were prevented access to ever view →

→ the surveillance footage because DHS and [DCT] had either intentionally or inadvertently "lost and/or destroyed" the footage.

#Four) I cannot search and locate any new case-law or Grounds, etc., for this petition or any future petitions and/or motions because I do not have access available to me to the Law Library or other similar legal resources.

CERTIFICATE

I, Maksim M. Stefanyuk, do swear that I believe that the Grounds I mentioned in this petition are limited to intervening circumstances of substantial or controlling effect or to other substantial grounds not previously presented. I also swear and certify that this petition for rehearing is presented in good faith and not for delay. May God bless you.
