OFFICE OF THE CLERK  
SUPREME COURT, U.S.

### QUESTION(S) PRESENTED

- ① Why Did the Social Security offices in California and Arizona not follow protocols when I and my medical offices provided more than enough information regarding my physical health?
- ② Has someone hacked into my Social Security information? If so I would like them to be charged with fraud. I was told by the Social Security office that someone hacked into my benefits.
- ③ Is the Government going to Hold the Social Security Administration responsible for not giving a proper reason on why they have not delivered their promises on my benefits.
- ④ Are you going to enforce them to properly represent the people?
- ⑤ I've mentioned the Pain and Suffering that I have endured and when through proper evaluation and provided enough evidence regarding nerve Damage in my Back and Removal of Fallopian tubes to not be in a worse condition such as a wheel chair. Does this Appeals process sound fair, (specially getting my ass kicked by the Government?)

## STATEMENT OF THE CASE

To Whom They may Concern:

I have made several attempts and visits to the social Security office regarding the Pain and Suffering I have endured Due to the Government. This is a physical case and a proper Judgment needs to be made Granting me what I have Requested from the federal Court. This matter has not been properly taken into consideration and this is disrupting my life because of the poor efforts in the lower courts not granting me the Relief that is Deserved. If they are incapable of fulfilling there Duty as a Judge I would like to keep this in the higher Courts because this has caused a hindrance for me to move forward Due to them not being able to operate there Authority in a correct manor. This needs to be addressed and brought to Justice. I would like a proper investigation Done and to take notice that I have exhausted all measures regarding the evidence. Nobody is allowed to take legal action on my behalf or make legal Decisions on my behalf.

Thank You

Angel Osorio

## REASONS FOR GRANTING THE PETITION

To Whom this may concern:

I am Requesting an Emergency Extraordinary Mandamus Rule 21 to be Granted for my Social Security case with the Commissioner Due to no Income since Dec 2018. I have waited patiently with no income to move forward Due to the Respondents not proceeding properly. I need relief that I have sought for any this issues that I presented to the Social Security offices regarding the FACTS. Please override the lower courts failure to comply with what they showed at home when the claim was filed years ago. I have not been treated Equally under the Constitution and have been oppressed by the Commissioner of the Social Security Administration. Please take my case into consideration. Nobody is allowed to make any legal decisions on my behalf or sue on my behalf regarding my cases.

Thank You

Angel Osorio
