RE: *Rodney Berryman v. Robert Wong*, No. 20-5764  
Request for Extension of Time

Dear Harris:

The petition for writ of certiorari in this case was filed September 9, 2020. The response is currently due on October 23, 2020. Pursuant to Rule 30.4, Respondent respectfully requests that the time for filing the response be extended by 31 days, to and including November 23, 2020. I have made good progress on drafting the response, but need additional time to complete it and allow time for review, revisions, and filing. An extension would better enable preparation of a response that Respondent believes would be most helpful to the Court. Petitioner is a prisoner proceeding pro se, and respondent is unable to obtain his position on this request.

Sincerely,

*/s/ Brian R. Means*
