* Uncategorizable miscellaneous items like \$600 for car repair last week, and \$1,000 to assist daughter with applications to medical school - occur often enough to force us during the month to have to borrow from our children, such as this summer when I did not get paid for two months since I am on a 10-month pay cycle.

9. Do you expect any major changes to your monthly income or expenses or in your assets or liabilities during the next 12 months?

Yes No If yes, describe on an attached sheet.

Everything is tentative. Otherwise, hopefully, things will remain the same. If this Court finally decides that it is not sufficient to say that the Rooker-Feldman Doctrine should not be "abused", but indeed acts to order the Bankruptcy Court judge to order the State of New Jersey to provide me, as an objector to the SIZE of the \$809,237 claim against me, the "Additional Documents" that Congress has mandated should have been turned over to me in the days following August 8, 2018, my lives and those of thousands of other victims in New Jersey will change. Since August 8, 2018 - no documents - despite overwhelming proof that the claim should be lowered. If certiorari is granted or the final judgments vacated, the State of New Jersey will not want the adverse publicity from their fraudulent concealment over the last 9-years in federal court to coverup a travesty that occurred under Governor Jon Corzine of MF Global Infamy. The State of New Jersey's fraudulent concealment destroyed 201 families. In one family waiting 14-years for justice, both parents now have cancer.

10. Have you paid - or will you be paying - an attorney any money for services in connection with this case, including the completion of this form? Yes No

If yes, how much? _____

If yes, state the attorney's name, address, and telephone number:

We may distribute this important foreclosure and bankruptcy rights petition and invite attorney or interest group participation either through pro bono representation of Amicus Briefs.

11. Have you paid—or will you be paying—anyone other than an attorney (such as a paralegal or a typist) any money for services in connection with this case, including the completion of this form?

Yes No

If yes, how much? _____

If yes, state the person's name, address, and telephone number:

12. Provide any other information that will help explain why you cannot pay the costs of this case.

There is simply no money that can be made available without making living more of a hardship than it currently is. I drove for two weeks without an entire muffler until payday. Last week I was able to get a pipe placed on but the pipe is hanging in midair. Feel free to call the Lakewood police and ask them to verify.

I declare under penalty of perjury that the foregoing is true and correct.
