Re: *Dennis Lemma, Sheriff, Seminole County, Florida, v. Seana Barnett*,
Case No. 20-595
Motion for Extension of Time

Dear Mr. Harris,

I represent Respondent Seana Barnett in the above-captioned case. The petition for a writ of certiorari was filed on October 30, 2020. Respondent's opposition brief is currently due on December 7, 2020. Pursuant to Rule 30.4 and this Court's Guidance Concerning Clerk's Office Operations under the COVID-19 pandemic, I respectfully request that you extend the deadline to file the opposition brief by 30-days. Petitioner's counsel has no objection to this request.

The 30-day extension is needed due to the ongoing COVID-19 restrictions and associated complications as well as my prior commitments during this time period which include preparing for and conducting a one-week trial scheduled to begin on November 30, 2020. I anticipate being able to file a response in opposition to the petition for a writ of certiorari by January 6, 2021.

Please advise if you require any additional information. Thank you for your time and consideration.

Sincerely,

Kendra D. Presswood
Counsel of Record for Respondent
