**II**  
**PETITION FOR REHEARING OF DENIAL OF WRIT OF CERTIORARI**

Cherrie Hollie, Petitioner in Pro Per, respectfully petitions this court for a rehearing of her the denial of her Petition for Writ of Certiorari that was filed with this court on August 26, 2020 and placed in the court's docket on October 21, 2020. Petitioner's Petition for Writ of Certiorari. Was denied on December 7, 2020. A copy of the denial letter is attached hereto as Exhibit "1" and made a part hereof.

It is apparent that the Transcript of Hearing on May 22, 2017 of the hearing at the Bishop Henry Whipple Federal Building in Saint Paul, Minnesota via teleconference with the Oakland, CA. Regional Office was not included in the Record of Proceedings before this court. Petitioner did not realize that the transcript of the May 22, 2017 hearing was not included until after Petitioner received on December 9, 2020 this court's denial of the Petition for Writ of Certiorari on dated December 7, 2020.

U.S. Supreme Court Rule 44.2 states that any petition for the rehearing of an order denying a petition for a writ of certiorari or extraordinary writ shall be filed within 25 days after the order of denial of the petition for writ of certiorari. Rule 44.2 further states that the grounds for rehearing shall be limited to intervening circumstances of a substantial or controlling effect or to other substantial grounds not previously presented.

It is clear that a review of the transcript of the Department of Veterans Affairs hearing of May 22, 2017 before hearing officer before Hearing Officer Jason Reger is relevant to this case. A true copy of said hearing is attached hereto as Exhibit "2" and made a part hereof. It is clear That pursuant to U.S. Vet. App.. R. 28.1 (a) that all relevant documents that were before the Secretary of Veterans Affairs and before the Board of Veterans Affairs should be included in The record. In this case, a highly relevant document, the transcript of the Department of "

Veterans Affairs Hearing of May 22, 2017, was not included. *See also Exhibit 113!*

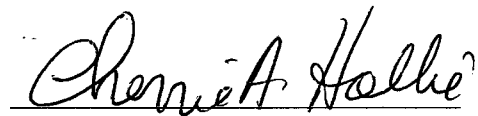

Given the facts stated in the Petition for Writ of Certiorari, which alleges the constitutional ground of denial of equal protection of the laws and violation of due process of law. It is clear that due process of law mandates that this court consider the Department of Veterans Affairs Hearing of May 22, 2020 Failure to consider Petitioner' significant equitable arguments and failure of the Federal Circuit to make a finding as to whether Petitioner is the surviving spouse of the late veteran, Charlie P. Hollie as defined by 38 C.F.R.3.54.

This is a case where the law and the equities indicate that this court should grant the Petition for Hearing.

### **III** **CONCLUSION**

For the foregoing reasons, Petitioner Cherrie Hollie respectfully requests that this Court grant the Petition for Rehearing.
