

Information maintained by the Legislative Reference Bureau

Updating the database of the Illinois Compiled Statutes (ILCS) is an ongoing process. Recent laws may not yet be included in the ILCS database, but they are found on this site as [Public Acts](#) soon after they become law. For information concerning the relationship between statutes and Public Acts, refer to the [Guide](#).

Because the statute database is maintained primarily for legislative drafting purposes, statutory changes are sometimes included in the statute database before they take effect. If the source note at the end of a Section of the statutes includes a Public Act that has not yet taken effect, the version of the law that is currently in effect may have already been removed from the database and you should refer to that Public Act to see the changes made to the current law.

Sec. 20. Concealed Carry Licensing Review Board.

(a) There is hereby created within the Department of State Police a Concealed Carry Licensing Review Board to consider any objection to an applicant's eligibility to obtain a license

under this Act submitted by a law enforcement agency or the Department under Section 15 of this Act. The Board shall consist of 7 commissioners to be appointed by the Governor, with the advice and consent of the Senate, with 3 commissioners residing within the First Judicial District and one commissioner residing within each of the 4 remaining Judicial Districts. No more than 4 commissioners shall be members of the same political party. The Governor shall designate one commissioner as the Chairperson. The Board shall consist of:

- (1) one commissioner with at least 5 years of service as a federal judge;
- (2) 2 commissioners with at least 5 years of experience serving as an attorney with the United States Department of Justice;
- (3) 3 commissioners with at least 5 years of experience as a federal agent or employee with investigative experience or duties related to criminal justice under the United States Department of Justice, Drug Enforcement Administration, Department of Homeland Security, or Federal Bureau of Investigation; and
- (4) one member with at least 5 years of experience as a licensed physician or clinical psychologist with expertise in the diagnosis and treatment of mental illness.

(b) The initial terms of the commissioners shall end on January 12, 2015. Thereafter, the commissioners shall hold office for 4 years, with terms expiring on the second Monday in January of the fourth year. Commissioners may be reappointed. Vacancies in the office of commissioner shall be filled in the same manner as the original appointment, for the remainder of the unexpired term. The Governor may remove a commissioner for incompetence, neglect of duty, malfeasance, or inability to serve. Commissioners shall receive compensation in an amount equal to the compensation of members of the Executive Ethics Commission and may be reimbursed for reasonable expenses actually incurred in the performance of their Board duties, from funds appropriated for that purpose.

(c) The Board shall meet at the call of the chairperson as often as necessary to consider objections to applications for a license under this Act. If necessary to ensure the participation of a commissioner, the Board shall allow a commissioner to participate in a Board meeting by electronic communication. Any commissioner participating electronically shall be deemed present for purposes of establishing a quorum and voting.

(d) The Board shall adopt rules for the review of objections and the conduct of hearings. The Board shall maintain a record of its decisions and all materials considered in making its decisions. All Board decisions and voting records shall be kept confidential and all materials considered by the Board shall be exempt from inspection except upon order of a court.

(e) In considering an objection of a law enforcement agency or the Department, the Board shall review the materials received with the objection from the law enforcement agency or the Department. By a vote of at least 4 commissioners, the Board may request additional information from the law enforcement agency, Department, or the applicant, or the testimony of the law enforcement agency, Department, or the applicant. The Board may require that the applicant submit electronic fingerprints to the

Department for an updated background check where the Board determines it lacks sufficient information to determine eligibility. The Board may only consider information submitted by the Department, a law enforcement agency, or the applicant. The Board shall review each objection and determine by a majority of commissioners whether an applicant is eligible for a license.

(f) The Board shall issue a decision within 30 days of receipt of the objection from the Department. However, the Board need not issue a decision within 30 days if:

(1) the Board requests information from the applicant, including but not limited to electronic fingerprints to be submitted to the Department, in accordance with subsection (e) of this Section, in which case the Board shall make a decision within 30 days of receipt of the required information from the applicant;

(2) the applicant agrees, in writing, to allow the Board additional time to consider an objection; or

(3) the Board notifies the applicant and the Department that the Board needs an additional 30 days to issue a decision.

(g) If the Board determines by a preponderance of the evidence that the applicant poses a danger to himself or herself or others, or is a threat to public safety, then the Board shall affirm the objection of the law enforcement agency or the Department and shall notify the Department that the applicant is ineligible for a license. If the Board does not determine by a preponderance of the evidence that the applicant poses a danger to himself or herself or others, or is a threat to public safety, then the Board shall notify the Department that the applicant is eligible for a license.

(h) Meetings of the Board shall not be subject to the Open Meetings Act and records of the Board shall not be subject to the Freedom of Information Act.

(i) The Board shall report monthly to the Governor and the General Assembly on the number of objections received and provide details of the circumstances in which the Board has determined to deny licensure based on law enforcement or Department objections under Section 15 of this Act. The report shall not contain any identifying information about the applicants.

Sec. 70. Violations.

(a) A license issued or renewed under this Act shall be revoked if, at any time, the licensee is found to be ineligible for a license under this Act or the licensee no longer meets the eligibility requirements of the Firearm Owners Identification Card Act.

(b) A license shall be suspended if an order of protection, including an emergency order of protection, plenary order of protection, or interim order of protection under Article 112A of the Code of Criminal Procedure of 1963 or under the Illinois Domestic Violence Act of 1986, or if a firearms restraining order, including an emergency firearms restraining order, under the Firearms Restraining Order Act, is issued against a licensee for the duration of the order, or if the Department is made aware of a similar order issued against the licensee in any other jurisdiction. If an order of protection is issued against a licensee, the licensee shall surrender the license, as applicable, to the court at the time the order is entered or to the law enforcement agency or entity serving process at the time the licensee is served the order. The court, law enforcement agency, or entity responsible for serving the order of protection shall notify the Department within 7 days and transmit the license to the Department.

(c) A license is invalid upon expiration of the license, unless the licensee has submitted an application to renew the license, and the applicant is otherwise eligible to possess a license under this Act.

(d) A licensee shall not carry a concealed firearm while under the influence of alcohol, other drug or drugs, intoxicating compound or combination of compounds, or any combination thereof, under the standards set forth in subsection (a) of Section 11-501 of the Illinois Vehicle Code.

A licensee in violation of this subsection (d) shall be guilty of a Class A misdemeanor for a first or second violation and a Class 4 felony for a third violation. The Department may suspend a license for up to 6 months for a second violation and shall permanently revoke a license for a third violation.

(e) Except as otherwise provided, a licensee in violation of this Act shall be guilty of a Class B misdemeanor. A second or subsequent violation is a Class A misdemeanor. The Department may suspend a license for up to 6 months for a second violation and shall permanently revoke a license for 3 or more violations of Section 65 of this Act. Any person convicted of a violation under this Section shall pay a \$150 fee to be deposited into the Mental Health Reporting Fund, plus any applicable court costs or fees.

(f) A licensee convicted or found guilty of a violation of this Act who has a valid license and is otherwise eligible to carry a concealed firearm shall only be subject to the penalties under this Section and shall not be subject to the penalties under Section 21-6, paragraph (4), (8), or (10) of subsection (a) of Section 24-1, or subparagraph (A-5) or (B-5) of paragraph (3) of subsection (a) of Section 24-1.6 of the Criminal Code of 2012. Except as otherwise provided in this subsection, nothing

in this subsection prohibits the licensee from being subjected to penalties for violations other than those specified in this Act.

(g) A licensee whose license is revoked, suspended, or denied shall, within 48 hours of receiving notice of the revocation, suspension, or denial, surrender his or her concealed carry license to the local law enforcement agency where the person resides. The local law enforcement agency shall provide the licensee a receipt and transmit the concealed carry license to the Department of State Police. If the licensee whose concealed carry license has been revoked, suspended, or denied fails to comply with the requirements of this subsection, the law enforcement agency where the person resides may petition the circuit court to issue a warrant to search for and seize the concealed carry license in the possession and under the custody or control of the licensee whose concealed carry license has been revoked, suspended, or denied. The observation of a concealed carry license in the possession of a person whose license has been revoked, suspended, or denied constitutes a sufficient basis for the arrest of that person for violation of this subsection. A violation of this subsection is a Class A misdemeanor.

(h) A license issued or renewed under this Act shall be revoked if, at any time, the licensee is found ineligible for a Firearm Owner's Identification Card, or the licensee no longer possesses a valid Firearm Owner's Identification Card. A licensee whose license is revoked under this subsection (h) shall surrender his or her concealed carry license as provided for in subsection (g) of this Section.

This subsection shall not apply to a person who has filed an application with the State Police for renewal of a Firearm Owner's Identification Card and who is not otherwise ineligible to obtain a Firearm Owner's Identification Card.

(i) A certified firearms instructor who knowingly provides or offers to provide a false certification that an applicant has completed firearms training as required under this Act is guilty of a Class A misdemeanor. A person guilty of a violation of this subsection (i) is not eligible for court supervision. The Department shall permanently revoke the firearms instructor certification of a person convicted under this subsection (i).
