STATUTES AND RULES

There are simply no further steps that can be taken in the District Court to avoid the trial the man/men maintains is barred by the Fifth Amendments guaranty.

The Grand Jury is the organ of the Court, subject to its jurisdiction and direction, and it is one of the legal duties of the Court to see that its acts and findings accord with and are not in violation of the Constitution and the law.

The Constitution and the laws are superior to the "theoretical secrecy" of the proceedings of the Grand jury, and courts should never permit the latter to induce, protect, or perpetuate violations of the former, or private or public wrongs.

OTHER

My constitutional Rights (not Privileges) have been violated to the core. My Fourth, Fifth, Sixth, Eighth, Thirteenth Amendment Rights have been violated to the core. This unlawful conduct is prohibited by the Supreme Law of the Land.

STATEMENT OF THE CASE

On July 17th 2019, I Natural Person, was brought from the state jurisdiction of Hennepin County, MN; to the federal system without any properly drawn 4th Amendment Warrant, Any Writ of Habeas Corpus, by ATF agent David Carriker. I was taken before a United States Magistrate by the name of Steven E Rau. and deprived of my liberty, and given a detention hearing on July 23rd 2020.

I have now been unlawfully imprisoned for approximately sixteen (16) months without any LAWFUL documentation fair on it's face. This is human trafficking in it's greatest form, modern day form of slavery, which is prohibited by the Constitution of the United States of America.

(enclosed is an unlawful indictment and a letter from Asst. U.S. Attorney Justin A. Wesley)

REASONS FOR GRANTING THE PETITION

I Am imploring with this Article III Court to intervene And review the United States Court of Appeal (Eight Circuit) decision being the Court did not give an opinion due to there MAY be a conflict of Interest. Asking a confrere to overrule an associate of it's own MAY be a difficult thing to do. It is said that "Friends dont CAST out Friends".

Being the Constitution and it's guaranty's are the Supreme LAW of the Land, unlawful conduct is prohibited by Any Government officials and it's subordinates, from the way I understand it and how it reads. The staff in the lower courts of the original included case of the Minnesota District perpetually extends it's Abuse of discretion, Acting under color of authority, oppressing the men in this matter which clearly violates the oath of the individuals who hold public office that were sworn to uphold And support. (e.g. trial Judge)

Slavery has been ABolished

This lower Court has conducted itself AS if this is the Potomac that leads to the slave trade in New Orleans, or Alabama. Please liberate the men from this gross conduct and unlawful confinement. One has been uttered an unlawful Indictment as a mere Artifice used as A stratagem to deceive And plunder me.

My point here is, the Constitution is, according to it's reading, an Anti-slavery document; and, secondly, to dissolve Any Anarchy/Tyranny unlawful Acts, AS means to Abolish slavery. There is no word, no syllable in the Constitution to forbid this result. Slavery is ABolished. Please stop this oppression. My liberty, life, or property is not a privilege but a mere Right that does not derive from discretion.

I am not the thing (Artificial Person) I am a Man (Natural Person). To imprison a Man in his rights and call it the Constitution is an act of deceit along with making A mockery out of such A noble document and every Man/Woman that fight for these Rights.

"Equal Manhood means Equal Rights," and they must "stand each for All and All for each, without respect to color, race, or sex.

This is America Land of the Free!

CONCLUSION

The petition for a writ of certiorari should be granted.

Respectfully submitted,

Ronald Jermaine Jackson
