**MOTION TO DISMISS OR WITHDRAW  
PETITION FOR A WRIT OF CERTIORARI  
WITH LEAVE TO TIMELY FILE A PETITION  
THAT INCLUDES ALL OF PETITIONER'S ISSUES**

Petitioner Bernard Moore, through counsel, and pursuant to Rule 46.2(a) of the Rules of the Supreme Court of the United States, files this Motion to Dismiss the Petition that he filed in this cause on December 4, 2020. Petitioner is the only petitioner. He does not owe damages or costs. He was found by the Southern District of Florida to be an indigent criminal defendant and proceeded on direct appeal with representation of undersigned CJA Appellate Counsel. Petitioner filed a Motion to Proceed *In Forma Pauperis* in the present proceedings.

The record shows that the final judgment of the United States Court of Appeals for the Eleventh Circuit was entered in March, 2020, and that a timely-filed petition for rehearing was denied by the Eleventh Circuit Court of Appeals on September 10, 2020. Therefore, Petitioner is well-within the filing deadline of 150 days for filing a Petition for Writ of Certiorari under this Court's Order extending filing deadlines due to the Covid pandemic.

Petitioner intends to immediately file another Petition for Writ of Certiorari that will include all issues including one that was unintentionally omitted from his

Petition that was electronically filed in this matter on December 4, 2020 (Case No. 20-6585), that is the subject of this motion.

Wherefore, Petitioner respectfully asks the Court to dismiss the Petition filed in this cause, and to allow him to timely-file a Petition that will include all issues that should have been raised in the present Petition.

Respectfully submitted,
