CLAIM TO COLORADO CORONERS ASSOCIATION

Dear: President of the Colorado Coroners Association

May I address to you to present this claim as informal prove and declare
ESTATE OF TODD A. AURIT and the individual todd- anthony:aurit, **civil dead as purpose of the law**, please immediately notifies the district attorney the body for while incarcerated in a public institution.

The ESTATE OF TODD A. AURIT was declared civilly dead in the eyes of the law by a judgment of a competent tribunal and jurisdiction. In such case, the person (individual) against whom such sentence is pronounced is considered **dead**. 2 John. R. 218. See Gilb. Uses, 150; 2 Bulst. 188; Co. tit. 132; Jenk. Cent. 250; 1 Keble, 398; Prest. on Convey. 140. In and THE STATE OF COLORADO; therefore, the individual, and all its civil rights and relations of any nature whatsoever, is deemed to be dead in all respects, as if individual natural death had taken place at the time of conviction, now, the judgment means the individual has a shattered character.

CRS §30-10-606

(1.1) the coroner shall request that jurisdiction of a death be transferred to the coroner of the county in which the event which resulted in the death of the person occurred,

(1.2) (b) the coroner, in consultation with the district attorney....., shall facilitate the timely removal of the body (release) to preserve and protect evidence. The coroner may order the removal of the body for**or release the body to the next of kin.**

(2.5) In the case of a noncriminal investigation, the coroner, in cooperation with the public administrator if applicable, may take appropriate measures to safeguard the property and its contents. **The coroner may charge the costs of securing the**

premises against the estate of the deceased. A coroner who secures or safeguards the property and its contents is immune from civil liability for damage to or loss of the property or its contents.

(3) When the coroner has knowledge that any person has died under any of the above eight circumstances, **he or she may summon forthwith six citizens of the county to appear at a place named to hold an inquest to hear testimony and to make such inquiries as he deems appropriate.**

(4) (c) **A copy of the certificate of death or affidavit of presumed death, including any related documents and statements of fact,** shall be retained in the applicable county in a secure location in an appropriate county facility accessible only to the county coroner or the coroner's designee and in a manner that is consistent with the county's record retention policy and federal law.

The claim is maintainable as evidence of "decedent" ESTATE OF TODD A. AURIT(fiction as purpose of the law adjudicated) and by the direct pronouncement as burden of proof by publication, by IRS no further required action letter, by IRS determination letter, by notification to State of Colorado Board of Trustees, by Colorado State Department Apostille Letter, by Colorado Department of Revenue, by Colorado Social Security Administration, by a provision of the Colorado Open Records Act, and by The U.S. General Service Administration (GSA) streamlines the administrative work of the federal government, keeping the National Center for statistic U.S. Database such as, Social Security Administration claims, and by evidence of informal steps have been notified ex-trustees, ex-administrators, ex-creditors, ex-controllers, and/or ex-personal representative as terminated any/all disputes.

The claim is against the person(s) denying, or interested to deny, individual title to such legal character and/or right as to any property, and status, and the court may in its discretion make therein a declaration that Individual is so entitle, and the Individual need not ask for further relief.

It is a general rule, that persons who are proved to have been living, will be presumed to be alive till the contrary is proved and when the issue is upon the death of a person, the proof of the fact lies upon the party who asserts the death.

Relief

Claimant with clean hands prays for further relief in the name of The Non-U. S. Person todd-anthony:aurit due process already satisfied in the openings informal action claims cases:

1. The claimant had concluded that (individual Non-U.S person todd-anthony:aurit) body a collateral attachment by said outlaw non-statutory ESTATE OF TODD A. MANDATE OF BODY EXECUTION

The recent Claim case that you have considered adequately in the name of the non-United State person estate of Todd Aurit due process already satisfied in the Original Action claim case, had concluded that body attachment by said statutory estate of Todd Aurit must be relief from custody by notice and an opportunity for a hearing prior to the mandate of body execution, if necessary to comport with the habeas corpus requirements of the Article One, Section 9, clause 2 in the United States.
