Re: *Barr v. City & County of San Francisco; Barr v. California*, No. 20-666  
Request for extension of time

Dear Mr. Harris:

I am counsel for respondent City and County of San Francisco in this matter. The court of appeals issued its decision in this case on July 13, 2020, and petitioners filed a petition for writ of certiorari on November 13, 2020. Responses are currently due on December 14, 2020. Pursuant to Rule 30.4, respondent respectfully requests that the time for filing a response be extended by 30 days, to and including January 13, 2021.

This is respondent's first request for an extension of time. Good cause exists for the requested extension. I represent the City and County of San Francisco in several other matters that will require my attention in the coming weeks. In addition, the response must be reviewed by several attorneys within the San Francisco City Attorney's Office. An extension of time will allow for that internal review, and will also facilitate preparation of a more thorough response that will better assist the Court.

Thank you for your kind consideration of my request.

Very truly yours,

DENNIS J. HERRERA  
City Attorney
