STATEMENT OF THE CASE

The dismissal of the appeal that's been pending in the 5th circuit from May 22, 2019, to December 9, 2020, is a direct result of conspiracy and retaliatory schemes by the Texas state government, its agencies, and the district courts of Texas & Fifth circuit courts & appellate officials in response of the petitioner's writ of mandamus he submitted to the court on December 8, 2020, see *CARR v. Judicial Officials & Employees of the Texas State Government, et al* civil action No. 20-cv-02421 (H) Eastern District of Louisiana, New Orleans; (which was returned to the petitioner's uplocker on 2/8/2021)

Which was deliberately impeded by the Harris County Mailroom officials who delivered the order of dismissal on January 12, 2021, as they did with the petitioner's supplemental social security income claim that was dismissed on June 5, 2020, but the order of dismissal wasn't delivered to the petitioner until September 16, 2020, by the Mexican mailroom officials, see *CARR v. Andrew Fink, Commissioner of the Social Security Administration, et al* civil action No. 19-cv-0428; 5th circuit cause No. 20-20499; submitted to U.S. Supreme Court for review on February 1, 2021,

Harris County officials and the Texas state government continue their campaign of retaliation & harassment for asserting my rights of access to courts, and continue to show callous reckless disregard of the rule of law regarding the petitioner's civil action, lawsuits and criminal cases he is presently suffering false arrests, false detentions, and malicious prosecutions. See *State of Texas v. Carr*, cause No. 1674218 Harris County District Courtroom #182. See *CARR v. Art Avenda*, Chief of Harris Police, civil action No. 20-cv-02084 6/19/20; 5th circuit No. 20-20464. Court officials supplied to state that co-conspirators from Libby.

Another retaliatory act occurred on January 18, 2021, in furtherance of common goal when the petitioner submitted his motion for a bond reduction to the Judge David Escaygo Harris County District Courtroom #182, Court appointed attorney Sampson & Bove, LLC, and Harris County District Clerk Marilyn Barger in response of the order of El Gourriel to Judge, Lawyer, and Court officials to release 2000 inmates to reduce the overcrowded jail capacity to prevent the outbreak of the new COVID-19 variant because the petitioner had been infected with a mild form of the COVID-19 virus with symptoms of brain fog, joint & muscle pain, and heart weakness (see petitioner Declaration/Affidavit he submitted to the court on February 8, 2021, in support of injunctive relief).

Which the petitioner is highly vulnerable to because of his age 57, and underlying medical conditions of asthma, major depression, and paranoid. On January 19, 2021, the petitioner inquired about his bond amount to the inmate records officer and came to find he scheduled court date for July. Release was change from February 22, 2021, to April 13, 2021, in retaliation of his request for a bond reduction and personal bond.

The Gov. Gregg Abbott acted in retaliation of the petitioner request for bond reduction and to be released as personal bond by sending an executive order blocking the release of inmates who have been convicted of charges with violent offenses and the attorney general Ken Paxton also have been taking retaliatory action in response of my litigation activities along with the District Attorney's office who refuse to let me plead to the lesser charge of criminal mischief to escape the systematic abuse and harassment from officers, inmates, and Harris County Administration who refused to respect my rights as a disabled person and provide the petition with the programs & services he is entitled to, as a United States citizen.

THE STATE OF TEXAS AND OTHER MEXICAN AMERICAN & CITIZEN
CO-CONSPIRATORS CONTINUE TO DEPRIVE ME OF LIFE, LIBERTY, AND PROPERTY
THE LATTER STOLEN PROPERTY OCCURRED AROUND DECEMBER 2020, WHEN
I ASKED A FRIEND NAME MICHAEL FOR THE REASON TIME TO GO
TO MY RESIDENT AT 4409 DEWALK UNIT C HOUSTON, TX 77066
TO PICK-UP MY \$600.00 STIMULUS CHECK AND HE DID SO BUT
REPORTED MY CAR WAS STOLEN CRIMINALLY AND POINTING TO
2008 4 DOOR SEDAN POSSIBLY BY HIS ROOMMATE. ANTONIELLO SCOTT
WHO CONSPIRED WITH THE HOUSTON POLICE DEPARTMENT TO ENDSURE ME
TO COMMIT A CRIMINAL ACT SO THEY MAY PUNISH & PERSECUTE
THE PETITIONER. THE STATE OF TEXAS ALSO ALLOWED MY ROOMMATE
ANTONIELLO SCOTT TO REMAIN STAYING AT MY RESIDENT WHILE I
SUFFER OPPRESSIVE INVESTIGATION.

NOTE THE HALL COUNTY OFFICIALS CREATED A HOSTILE ENVIRONMENT
WHICH POPULATED BY COUNSELING, DIRECTING, AND WRITING OFFICERS,
LEADERS, AND ADMINISTRATORS TO ENGAGE IN SYSTEMATIC HARASSMENT &
PERSECUTION AGAINST THE PETITIONER THAT SUBJECT HIM TO MENTAL,
EMOTIONAL, AND PHYSICAL HARM (SEXUAL DEGRADING BEHAVIOR, SLAMMING DOORS)
THAT LEAD TO UNPROVOKED ASSAULTS & BATTERING BY OFFICERS AND
LEADERS THAT RESULTED IN THE PETITIONER A BROKEN UPPER LIP
THAT REQUIRED SEVERAL STICHES, BLOWN & PUNCTURED NOSE TWICE,
AND OTHER WOUNDS THAT THE PETITIONER HAD TO BE ESCORTED
TO MEMORIAL HERMAN HOSPITAL TWO-TIMES THAT HALL COUNTY
OFFICIALS AND THE COURT SYSTEM ATTEMPTED TO CONCEAL AND SUPPRESS.
SEE HALL COUNTY GRIEVANCE RECEIPTS REFERRED TO INTERNAL
AFFAIR # 33356 & # 1215101, AND MEMORIAL HERMAN HOSPITAL
RECORDS MARKED AS EXHIBIT 4

Reason For granting The Petition

Record evidence prove beyond reasonable doubt that the petitioner has been the on-going object of conspiracy and retaliatory schemes and conspiracies to commit murder with fraud resulting in the dismissal of the action by the Texas State government, state law enforcement, and habeas court officials to unlawfully deprive him of his life, liberty, and property that evades review in the court system but continues repeated in grossly and Reason for granting the petition,

Conclusion

The petition for a writ of certiorari should be granted,

Respectfully submitted,
Raymond Carl Cox
