

IN THE SUPREME COURT OF THE UNITED STATES

Cause No. 20-7366

IN RE: John PEYTON Alexander — PETITIONER, Pro SE

MOTION TO REINSTATE

COMES NOW PETITIONER AND files this, his MOTION TO REINSTATE, in the above styled & numbered PETITION FOR AN EXTRAORDINARY WRIT of HABEAS CORPUS; AND, in support thereof, would humbly show:

1. On March 29, 2021, THIS Honorable Court denied petitioner leave to proceed in forma pauperis and dismissed the writ. [Exhibit 1]

2. During THAT SAME week, I requested from the prison's "Inmate Legal Assistance Program" a copy of my commitment order.

3. Instead of sending my commitment order, THE ILAP Technician sent me my "Sentence Computation Record," which is a document I had been wanting to have, but the case-managers will not give to me [Exhibit 3]. I received this document

4. This "Sentence Computation Record" is newly disclosed; AND it proves THAT THE MDOL owes me at least 2469 good-conduct days. IT IS A gamechanger!
1.

5. Exhibit 5 is a hand-copy of my "Inmate Bank Trust Fund Special Withdrawal Form;" and, AS SOON AS THE Case Manager processes THIS money-withdrawal request, THE Court will receive ITS \$300⁰⁰ filing fee. [Exhibit 5]

6. This motion is presented in good-faith, AS I sincerely believe that I AM entitled TO THE relief I seek: Under penalty of perjury!

THEREFORE, please send me my discharge papers in THE mail, releasing me totally from MDOC Custody. Thank you,

John Peyton Alexander, II 3 0021

Syllabus — Expiration of Sentence Claim

"I am not worthy THAT I should come under thy roof, but speak THE word only and thy servant shall go free"—cf. Matt. 8:8

I, John Peyton Alexander, Mississippi prisoner Register 30021, AM seeking plenary collateral review of an EXTRAordinary Writ of Habeas Corpus to challenge the computation of A sentence imposed for a homicide which, regrettably, I did commit in 1975. I AM not challenging my guilt in THE underlying conviction of murder. RATHER, I assert that my life sentence, AS commuted and reduced by THE Governor, has now expired. I Argue THAT, in light of THE 1979 Executive Order No. 217 [Exhibit 2] which reduced my original life-sentence, THE Due Process component of "written notice" requires THE government to tell me what my new, commuted, non-life sentence now is: i.e.) A maximum-discharge date.

I also respectfully assert that THE MDOC's application [Exhibit 4] of THE version of THE EARNed-time-Allowance statute which became effective AFTER my conviction, violates THE Ex Post Facto Clause; AND THAT, under THE EARNed-time-Allowance law which was in-effect AT THE TIME of THE homicide, I have already earned enough good-conduct credits [Exhibit 3] to be totally released from MDOC custody. I was born on December 30, 1954 and my post-pandemic Mississippi life-expectancy is approximately 74.2 years. In THE year 1983, THE MDOC granted me 2,469 days [Exhibit 3].

Exhibit 3 was newly-discovered evidence as of 04/02/2021. IT is A game-changer!
