### QUESTION(S) PRESENTED

Where is the Justice, for an Incarcerated Petitioner who is denied an Opportunity to present exculpatory evidence for Due Process of the Law, by the Obstruction of Justice of the Sixth Circuit Court of Appeals, when they failed to grant the Petitioner in forma pauperis status but kept his partial payment, and especially when the Public Defender who engaged in Neo-cheating which originally Established the Injustice? Then in Contrast to the previous issue, the Sixth Amendment states in part, "Assistant in his Defense". How can an Incarcerated, Indigent, Novice Pro Se Filing Appellant receive Assistant in his Defense when they have become the Aggrieved Party?

Is the Constitution of the United States of America Systemically designed to be discriminatory towards a certain demographics? or is the Judicial System's Representation weaponizing the Law to proliferate Systemic Racism, which is embedded in the training that causes all races to be operators of an Agenda of Oppression.

Are there remnants of discriminatory Tactics embedded within a United States Constitution that was established during a time when Slavery was legal that the additional amendment to abolish slavery doesn't rectify?

Is America discriminatory for not acknowledging the two year term Presidents that served prior to the establishment of the United States Constitution and how does this omission effect the treatment or ruling of Law for the disproportionately challenged?

When the Management of an Institution works in collusion with corrupt practices, then the subordinates training ~~is~~ is an indoctrination of systematic deprivations which are obfuscated by Management for optics. It are these practices that establishes a violation of Constitutionally protected Interest, how can we correct this?

## STATEMENT OF THE CASE

Obstruction of Justice 18 U.S.C.S. § 1513

The Non-sequiturs presented by the Sixth Circuit Court does not justify why in forma pauperis wasn't granted, only that the Sixth Circuit Court was Restrictive and Obstructive by not granting an Incarcerated Petitioner in forma pauperis during a Pandemic.

These Restrictive Tactics prevented the Administration of Justice by Neo-cheating Suggestions of Non-sequiturs to influence the Mythical Thinking of Petitioners whom Lack the Ordinary Firmness of an Attorney, whom is a Consummate Professional.

Title 18 Crimes and Criminal Procedures § Chapter 73, Obstruction of Justice 18 USC, Pt 1, CH 1513, Retaliation against a witness, victim, or an informant (g). A prosecution under the section may be brought in the district in which the official proceeding (whether pending about to be instituted, or completed) was intended to be affected, or in which the conduct constituting the alleged offense occurred.

In this matter, the Sixth Circuit Court, undertook an Action from which an Obstruction of Justice was a reasonably Foreseeable Result Silverman, 745 F. 2nd at 1393. Petitioner whom desired a New Trial based on New Evidence that he submitted, was Obstructed by the Actions of the Sixth Circuit Court. Therefore, the Actions of the Sixth Circuit Court resulted in the Obstruction of Justice that caused undue Harsh Hardship, ad Mental Anguish of for the Petitioner.

The Failure of the Sixth Circuit Court to not issue a ruling on the Petitioner's in forma pauperis until a thirty day deadline for want of Prosecution was mandated, is a blatantly obvious tactics to be obstructive toward an Incarcerated Petitioner.

## REASONS FOR GRANTING THE PETITION

In this Matter, The Sixth Circuit Court, undertook an Action from which an Obstruction of Justice was a reasonably foreseeable Result of not granting in forma pauperis

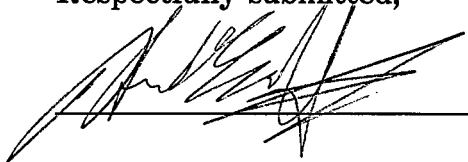

The Petitioner whom deserved a New Trial based on New Evidence that he submitted, was Obstructed by the Actions of the Sixth Circuit Court.

### CONCLUSION

In the Matter of an application for Writ of Certiorari the Petitioner request that the Supreme Court of the United States to review the Seditious Abuse of the Judicial Process by the Sixth Circuit Court of Appeals based on the issues set forth..

The petition for a writ of certiorari should be granted.

Respectfully submitted,
