Re: *United States v. Image Processing Technologies LLC, et al.*, No. 20-74

Dear Mr. Harris:

The above referenced petition for writ of certiorari in this case was filed on July 23, 2020 and placed on the docket on July 27, 2020. I am writing on behalf of Respondent High 5 Games, LLC to advise the Court that the parties to the underlying proceeding (IPR2018-00529) previously entered into a settlement agreement.

After the Federal Circuit (Appeal No. 20-1024) vacated and remanded the proceeding to the Patent and Trademark Office, the parties notified the Patent Trial and Appeal Board of the settlement on May 4, 2020. On the same day, the Board issued a General Order in IPR2018-00529 holding the matter in abeyance due to the *Arthrex* decision. On June 9, 2020, the Board invited the parties to file a motion to terminate the proceeding. The parties filed a joint motion to terminate the proceeding on June 16, 2020, although the Board has not yet acted on that motion.

In view of the parties' settlement and the joint motion to terminate the underlying IPR proceeding, *see* Petition at 25 n.2, Respondent High 5 Games does not intend to file a response to the petition for a writ of certiorari unless one is requested by the Court.

I am not presently a member of the Bar of this Court, so I submit this letter in paper form.

Sincerely,

/s/ Anthony D. Del Monaco
