The State of California is currently blocking my ability to be productive and succeed as a citizen. Among other things, the State has mislabeled me as mentally ill and also obstructed my ability to work as a lawyer in California. For example, I am unable to practice law because California government agencies and California courts are treating me as if I am bipolar and mentally ill. I am ready and hoping to get back to work and succeed as soon as the U.S. Supreme Court removes such handicaps that California Government imposed upon Americans.
