DESHUN THOMAS,
Petitioner – Appellant

v.

LORIE DAVIS, DIRECTOR, TEXAS DEPARTMENT OF CRIMINAL JUSTICE,
CORRECTIONAL INSTITUTIONS DIVISION
Respondent - Appellee

Appeal from the United States District Court
for the Southern District of Texas

O R D E R:

The court, having reviewed the briefing in this matter, is of the opinion that it would be best served by appointing pro bono counsel for the appellant, Deshun Thomas, in this case. *See* General Order Governing the Circuit Pro Bono Program (5th Cir. June 6, 2017). Counsel will be selected from this court's pro bono panel.

As noted in this court's order granting COA in part issued on August 7, 2018, it appears that Thomas is making a claim that his ineffective assistance of counsel claim should have been viewed through the prism of *United States v. Cronin*, 466 U.S. 648 (1984). Pro Bono counsel is ordered to address whether the *Cronin* claim was raised in state court and adjudicated there, as well as whether AEDPA deference applies to any such adjudication. The clerk is DIRECTED to establish a supplemental briefing schedule upon the appointment of counsel.
