

APPENDIX A  
DENIM QTH  
CIRCUIT C.R  
RELEASE

UNITED STATES COURT OF APPEALS  
FOR THE NINTH CIRCUIT

FILED

JAN 25 2021

MOLLY C. DWYER, CLERK  
U.S. COURT OF APPEALS

ANTOINE DESHAWN BARNES,

No. 20-73441

Petitioner,

v.

SALINAS SUPERIOR COURT JUDGE  
JOHN ROBERTS,

Respondent.

ORDER

Before: McKEOWN, CALLAHAN, and BRESS, Circuit Judges.

Antoine Deshawn Barnes has filed a "Petition for Writ of Habeas Per Senate Bill 10 Release on O.R." in which Barnes asks this court to release him on his own recognizance in Monterey County Superior Court criminal proceedings. Barnes provides no authority for his request, and we know of none. Accordingly, his request is denied.

To the extent that Barnes wishes for this court to direct the state court to release him on his own recognizance, Barnes has not demonstrated that this case warrants the intervention of this court by means of the extraordinary remedy of mandamus. *See Bauman v. U.S. Dist. Court*, 557 F.2d 650 (9th Cir. 1977); *see also Demos v. U.S. Dist. Court*, 925 F.2d 1160, 1161 (9th Cir. 1991) ("[T]his court

DEJIAL OF "OR"

lacks jurisdiction to issue a writ of mandamus to a state court.”). Accordingly, the petition is denied.

Any pending motions or requests are denied as moot.

No further filings will be entertained.

The Clerk will close this original action.
