Questions Presented:

---whether a federal Judge with a history of racism, bias, service to the Deep State, and conflict of interest involving her husband in this and other cases, violated my right to due process of law when she dismissed this action against the defendant-landlord for stealing my legal mail of a separate national security case which she later dismissed.

---whether a federal Judge incurred in a conflict of interest and violation of my right to due process of law when she dismissed this case while her husband does multi-billion dollars transactions for the defendant-landlord.

Statement of the Case:

1---Serving the Deep State, U.S. Senate Select Committee on Intelligence members Charles Schumer and Kirsten Gillibrand appointed U.S. Judge Ronnie Abrams to her position at the Southern District of New York, and her husband Greg Andres, Esq. as Deputy U.S. Attorney General and later as assistant to Special Counsel Robert Mueller.

Robert Mueller is the infamous former FBI Director who was named to that position by then U.S. President George W. Bush five (5) days before 9/11 with the sole mission to cover-up the CIA-Deep State controlled demolition of the twin towers.

On 11-07-2018 the U.S. Attorney for the SDNY tried to investigate, but was quickly fired. Exh. 1. In my present lawsuit about a CIA warrantless raid of my apartment Judge Abrams persecutes me, Andres orders additional warrantless raids, and Judge Abrams covers them up. Exhibit 2.

2---I am erroneously included in the terrorists list of the United States government, and as such am persecuted, tortured, and denied due process of law by the Courts. Exhibit 3.

3---The government of the United States publicly accepts that its own Central Intelligence Agency ("the CIA") as enforcers of the Deep State bombed and destroyed the World Trade Center on September 11, 2001 ("9-11"); slaughtered over 3,000 people almost at front of the federal courthouse; blamed others; in Iraq alone it massacred over 1-million innocent men, women, and children; got both political parties to assign billions of dollars to the fake "war on terror" at home and abroad; multiplied the military budget; activated a tyrannical law called The Patriot Act; a secret and omnipotent Court named Foreign Intelligence Surveillance Court; and replaced the U.S. Constitution for a police-state. Exhibits 4,5,6,7.

4--As part of the CIA's COINTELPRO domestic assassinations program, on 9-28-2015 terrorists of that agency accompanied by my landlord, Bellevue South Associates ("BSA"), carried-out a warrantless raid of my apartment after breaking its door.

5---They left a handwritten note with the word "intel", and the name of New York Regional Director of the Department of Homeland Security, CIA terrorist Dennis McGowan, as the person that sent them.

6---They called the raid a "wellness-check".

7---NYPD and federal officials not only ignored my complaints, days later they planted a surveillance tower at front of my window. Exhibits 8 and 9.

8---I filed lawsuit 16CV2362 at the Southern District of New York federal Court, and it was assigned to Judge Ronnie Abrams, and Magistrate-Judge Kevin Nathaniel Fox who always protected the CIA terrorists while treating me like a criminal.

9---Invited by Judges Abrams. and Fox, the CIA terrorists and BSA returned on 4-28-2016, again broke the door of my apartment for another warrantless raid, handcuffed, abducted, and took me by ambulance to HHC Bellevue Hospital to be tortured as a John Doe. Exhibit 10.

10---They called the raid "a wellness-check".

11---Judges Abrams and Fox covered-up the identities of the CIA terrorists, and refused to include them in the case. 16CV2362-dockets 47, 66, 84, 89, 105, 106, 108, 119, 120, 121, 127, 128, 129, 132, 152, 158, 162, 250, 259, 260, 261, 263, 264, 265, 267, 316, 342, 444, 435, 446.

12---Judges Abrams and Fox were in fact inviting more attacks against me.

13---The NYPD filed an affidavit stating that the CIA terrorists, not the NYPD, were responsible for handcuffing, kidnapping, transporting, and torturing me at HHC Bellevue Hospital. Case 16CV2362, docket 210.

14---The FDNY ambulance report states "A MALE ADULT COMPLAINING OF NOTHING". Case 16CV2362, docket 212.

15---During the torture I was assaulted by HHC Bellevue Hospital employees, involuntarily injected with drugs, urine and blood were forcefully taken, x-rays and MRI's were done.

16---The torture was such that I developed fever of 101 degrees, my two-days old spinal surgery was permanently damaged, and up to this day need medications, treatment, and suffer from PTSD.

17---New case 18CV4665 against HHC Bellevue Hospital was commenced without the CIA defendants.

18---Although she was biased against me Judge Abrams denied my petition for her recusal. Case 16CV2362, docket 333.

19---Invited by Judges Abrams and Fox, on 12-13-2018 a CIA terrorist posing as NYPD Lieutenant Neil Veras, and NYPD Police Officer Patricia de Jesus, used a sledgehammer trying to break the door of my apartment after I refused to give them access. Video-recorded.

20---On 12-20-2018 Veras, de Jesus, and Detective Christopher Rickford demanded access to my apartment, and yelled threats such as "we will tell your neighbors that you are a rapist, and a pedophile". Recorded.

21---On 12-21-2018 a community lawyer told me that Veras and de Jesus wanted to arrest me, I surrendered at the 13th police station, was falsely charged with a misdemeanor, taken before a Judge, released without bail, and the case was dismissed days later.

22---Invited by Judges Abrams and Fox, on 2-27-2019 Veras, de Jesus, and three (3) others NYPD Police Officers carried-out a warrantless raid of my apartment, and falsely charged me with a misdemeanor.

23---Veras ordered the three (3) Police Officers to take me to the 13th police station while he and de Jesus stayed behind ransacking the apartment in my absence. See exhibit 2.

24---I was taken to the police station; with leg shackles to HHC Bellevue Hospital for another involuntary psychiatric exam; to the police station; to Court; to the police station; to HHC Bellevue Hospital again; to the police station; and to Court where handcuffed behind my back appeared before a Judge more than a day later and was released; the case was dismissed a few days later.

25---Although the case was related to the previous raids, to escape the persecution by Judges Abrams and Fox, I was forced to ask Chief Judge Colleen McMahon to assign it to a different courtroom: new case 19CV6332 was commenced.

26---On 10-29-2019 Judge Abrams sent case 16CV2362 to Magistrate-Judge Fox for reports and recommendations about the Motions for Summary Judgement. Docket 367.

27---Judges Abrams, and Fox set traps, disregarded the evidence, and dismissed most defendants of case 16CV2362, except Dennis McGowan, and Dr. Aaron Buckland.

28---**On 1-07-2021** Judge Fox filed a report and recommendation to dismiss case 18CV4665, against defendant HHC and gave me 14-days to file objections. Docket 38.

29---**The same day, 1-07-2021**, Judge Abrams capriciously dismissed the case disregarding the 14-days to file objections. 18CV4665, Docket 39.

30---After reading my objections to her premature dismissal of the case she stated: "**I would have dismissed it anyway**". 18CV4665, docket 43.

I filed appeal 21-176, and Writ of Mandamus 21-101 at the Second Circuit Court of Appeals.

31---**The same day, 1-07-2021**, she also dismissed the case against defendants Dennis McGowan, and Aaron Buckland without the reports of recommendations by Magistrate-Judge Fox. Case 16CV2362, docket 445.

Present Case 18CV6434---Torres vs The Blackstone Group:

1---In December 2016 landlord-defendant BSA sold to The Blackstone Group for \$700 million the building-complex in which I live, and Blackstone continued the employment of most of the employees.

2---Some of these employees had been trying to sabotage my lawsuit by stealing my mail.

3---Judges Abrams and Fox ignored my communications about this issue. Case 16CV2362, dockets 215, 216, 223, 224, 227, 228.

4---On 7-16 2021 I filed the present lawsuit 18CV6434 against Blackstone for stealing my mail, and continued to complain. Dockets 10, 28.

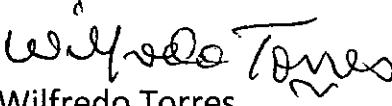

5---Noteven an email on 7-25-2918 to Blackstone's CEO, copy to the Court and all the defendants, got them to stop the theft of my legal mail. Exhibit 1A

6---On 09-03-2019 Judge Abrams dismissed the case against Blackstone while her husband Greg Andres, Esq., employed by Davis, Polk, Wardwell, LLP, conducted multibillion dollars transactions on behalf of that defendant, and did work for defendant U.S. Department of Justice.

7---On 2-26-2020 Judge Fox filed and Judge Abrams accepted recommendations to dismiss most cases stating that I had not followed the instructions of Rule 56 in answering the Motions for Summary Judgement.

8---Judge Fox states in his recommendations that the way I answered the Motions for Summary Judgement indicates that I was not aware of the Rule 56 requirements.

9---The Rule 56 instructions had been stolen by Blackstone.

Reasons for Granting the Petition:

The Constitution of the United States is being trashed by these defendants, and the lower-Court.

Conclusion:

This case is a clear example of what happens when the rich takes control of our Courts and government.
