

Certification of Service

I hereby state that I have not mailed a copy of this document to anyone, except this Honorable Court, since I do not have access to a copying machine at my current place of incarceration, the Rhode Island Department of Corrections, due to the COVID-19 restrictions implemented by the Administration at this facility.

This issue pertaining to my inability to properly participate in the Judicial Process has been reviewed in Case No. 19-568 JJM-PAS, during which The Presiding Judge, Federal Magistrate Patricia Sullivan, expressed her inability to provide corrective actions due to her support of the R.I.D.C.'s COVID-19 protocols.
