1. ~~The Appeals Court denied my Motion for Mistrial Transcripts on October 23rd, 2020; And~~
QUESTION(S) PRESENTED
The Appellate Court denied my case, along with Appointment of Counsel denied; both denied on the same day; did the Court know that, by myself being indigent, they violated my 14th amendment right to due process and equal protection? Rehearing denied March 2, 2021.
2. My Appeal Statement (from denial of Federal Habeas Corpus) five claims were more improved, to prove more merit; and; the sixth claim; about the cops lying on witness stand was not even denied in Habeas Corpus; but, all-six claims were denied in Appeal without any explanation of why? Rehearing denied also, no explanation?
3. Why did my old lawyer (for Mistrial and Double Jeopardy Trial), Attorney Barbara Klein, hand my entire case (with no help) over to an unprepared new lawyer, Attorney Eric Dunham; and; at trial- Attorney Klein (now, a witness by Judge Mary Brosnahan) was a no show?
4. Why did Attorney Dunham not bring or subpoena any of my other witnesses; and Attorney Barbara Klein to November of 2010 trial to prove my innocence? Judge Brosnahan approves all my witnesses.
5. On witness stand both cops, at both trials (Mistrial and Nov. 2010 trial) had conflicting stories on stand; that changed again at second trial; after the Mistrial; (and, both in transcripts); why, was this not enough to get my verdict reversed; or, back to trial?
6. Why did my other four claims, in my Appeal (12 claims in Habeas Corpus) with more (added) evidence of merit, to help prove my own innocence, get denied also in Appeal? (A) Our Autopsy Expert; No Extra Money Paid. (B) DUI cop lied; his statement is brought over to November 2010 trial. (C) VHS, now DVD, shown illegally; and altered again. (D) Hidden Medical Reports by Doctor and Assistant Medical Examiner Nancy Jones; Amidst Scandal.

Constitutional and Statutory Provisions.

Note: Motion for Mistrial transcripts denial, violated case law; Greene v. Brigrano, 123 F.3d 917 (CA 6 1997). 14th Amendment.

The Appeals Court denied my Motion for Mistrial Transcripts on October 23rd of 2020; And; The Appellate Court violated my 14th amendment right to due process and equal protection when they denied my Appeal; and; also denied my Appointment of Counsel on the same day on January 25, 2021. And, by myself being indigent, they violated U.S. case law: *Penon v. Ohio*, 488 U.S. 75, 102 L. Ed 2d 300, 109 S. Ct. 346 (1988). And the Appellate Courts successfully used Prosecutorial Misconduct case law: *Horrell v. Downey*, 2018 U.S. Dist. Lexis 234217. In my Federal Habeas Corpus Trial; the two cops to arrive first changed their conflicting testimonies from Mistrial in June of 2006 to two different testimonies in November of 2010; and; this claim is not denied in the Habeas Corpus final judgement; but, in Appeal with no explanation, it is denied along with other claims in the Appellate Court by Chief Judge Diane Sykes; Appellate Case #20-2913. The cops used coercion; and violated case laws: *Petty v. City of Chicago*, 754 F.3d 416. - Accused, failed to show police violated his due process rights. And case law: *Fields v. Wharrie*, 740 F.3d 1107. - Prosecutor fabricated evidence and used coercion. Chief Judge Sykes denied claims to testimonies; on stand by cops who used coercion; case law: *Patrick v. City of Chicago*, 213 F. Supp. 3d 1033; denied summary judgement; to confessions being coerced. The fundamental importance of the assistance of counsel does not cease as the prosecutorial process moves from the trial to the appellate stage, the presumption of prejudice must extend as well to the denial of counsel on Appeal. The denial of counsel in this case left petitioner completely without representation during the Appellate Court actual decisional process. I filed a Motion to ReOpen my Appeal case dated Feb. 1st, 2021. Then, on March 2nd of 2021, Chief Judge Sykes denies my Rehearing, with no explanation.

Incident happened on March 6, of 2004; and Dr. Nancy Jones' autopsy report was done on the same day; and she appeared on witness stand at Mistrial on June of 2006 and again at the November of 2010 trial; and; she lied on stand saying I used a choke-hold around the neck. This testimony on stand by Dr. Jones conflicts with her other testimony, and that of Dr. Spitz, my autopsy expert's testimony; that no internal damage was done to the neck and the neck area; and; no external damage was done to the neck and the neck area. Assistant States Attorney Kimellen Chamberlain at November 2010 trial says, I used my military training (worked in office) ^{Army Reserves 1984 - 1992}; where; I was trained, to apply the choke-hold without leaving any internal and external marks. This violates case law: *Donnelly v. DeChristoforo*, 416 U.S. 637; prosecutor made an arguably prejudicial comment to jury; to persuade jury to convict me; and counsel failed to keep on objecting; because it happened several times during trial to violate case law: *United States v. Young*, 470 U.S. 1; counsel failed to object. And, A.S.A. Chamberlain coached Rachel Schram at

both trials. Doctor Spitz at trial and also in his autopsy report; talks about victim's over sized heart; and; a lot of drugs in her system, at 6'1" and being over weight at 285. At trial; no one talked about myself getting beat up at age 47 by a woman, who used both her fists, and hits harder than most men. This constant strain on body (of what) really happened, which caused, the victim's heart attack; but, the A.S.A. made it sound like I beat her up, to the jury. This is also why I'm upset my lawyer subpoenaed zero witnesses; and; did not help me, prove my innocence. Case law: *Bianchi v. McQueen*, 2014 U.S. Dist. LEXIS 22736.; wrongful conviction by fabricating witness statements, + evidence. Allegations of ineffective assistance of counsel is case law: *Jerrick v. Gilmore*, 2000 U.S. Dist LEXIS 11105. And, in my trials; failed to prove ineffective assistance of counsel: *United States v. Perez*, 1999 U.S. Dist. LEXIS 7240.

We hired Doctor Werner U. Spitz in January of 2005; now, the Mistrial, (or first trial) by Judge Egan happens in June of 2006; so, Attorney Barbara Klein has more than enough time to inform the Courts and Judge Egan about our autopsy expert Dr. Spitz and his autopsy report; and, our missing witness. Ineffective Assistant of Counsel; with case law: *Cuyler v. Sullivan*, 446 U.S. 335, 100 S.Ct. 1708, 64 L.Ed. 2d 333 (1980) - (Pg. 593, The Prisoner's Guide To Survival). During later trials, after Mistrial; we submit as evidence, the copy of "found", was missing, the I.D., and what video person Dawn Evers said, about incident; in my Post-Conviction Petition in 12/10/2013 to 2/13/2014. Attorney Klein talks to Penny Strickland before Mistrial in June of 2006; because, I was bonded out, around the month of June of 2004; by my aunt; who passed away in 2009; before, the November of 2010 trial. The bond money went to her son, after the November of 2010 trial; and; I, from verdict by jury, go back to prison. No witnesses by my lawyer's decision (2nd Attorney), Attorney Eric Dunham; is in case law: *Harris v. Reed*, 894 F.2d 871 (7th Cir. 1990). This proves ineffective assistance of counsel; first, by my Attorney Barbara Klein; then, by Attorney Eric Dunham at November of 2010 trial. (Pg 652-Survival Book) *Brady v. Maryland*, 373 U.S. 83, 10 L.Ed. 2d 215, 83 S.Ct. 1194 (1963). - *Strickland v. Washington*, 466 U.S. 668, 80 L.Ed. 2d 674, 104 S.Ct. 2052 (1984). - *Williams v. Washington*, 59 F.3d 673 (7th Cir. 1995). An attorney rather clearly has a duty to familiarize himself with the discovery materials provided by the state. And; a duty, to investigate. Before trial starts on November 3rd, 2010; video is shown to jury before becoming evidence. The video is converted to DVD from VHS; and it is altered; using features called, close up options. I find out at trial; and, tell my attorney. At trial Attorney Eric Dunham objects to video coming in as evidence; but, it was shown to jury in the morning; and on Nov. 3rd of 2010, trial started in the afternoon; which proves, and with affidavit submitted, video was shown illegally. I find out later, after trial is over; about illegal showing of video; and; also, tell attorney in Direct Appeal.

Constitutional and Statutory Provisions.

For Direct Appeal; Assistant Appellate Defender Jean Park decides not to use illegal video showing in my Direct Appeal. Case law: Williams v. Washington, 59 F. 3d 673 (7th Cir. 1995). In the Direct Appeal by A.A.D. Parks she states, my Mistrial was in 2005; it was in June of 2006.

The two police officers who arrived first on the scene both get on the witness stand at the Mistrial in June of 2006. My Motion for Mistrial transcripts was denied in my Federal Habeas Corpus "Appeal" case #20-2913 by Chief Judge Diane Sykes; myself, being indigent, she violated my Constitutional Right. Case law: Greene v. Brigano, 123 F. 3d 917 (CA 6 1997); which violated my 14th Amendment to Due Process and equal protection. 682.45 Right to the Trial Record or Transcript if Indigent. P.O. Clifton Thurman was the first to arrive in a University of Chicago uniform (UofC police report Q-0531) from the rear of yard with a flashlight in his hand (in transcripts) at 2:30 AM in the gloomy morning. At the November of 2010 trial; the "States" only witness Rachel Schram lies twice on stand; that both cops arrived with their guns out; but the gun was a flashlight. Violates case law: U.S. v. Cuffie, 80 F. 3d 514 (D.C. Cir. 1996). Attorney Dunham does not know Schram lied, and does not object. I even tell Attorney Dunham do not let Schram go home; from being locked up in jail, by the "State". P.O. Thurman also gets fired from his City of Chicago Police job; and the "State" will not say how he gets fired. P.O. Thurman at Mistrial on witness stand says, the hold on victim by me was that I was in a catcher's crouch. This is a clear violation of case laws: (Pgs. 655 and 495 in Survival Book) for discovery of evidence that was fabricated, and prosecutorial misconduct. U.S. v. Cuffie, 80 F. 3d 514 (D.C. Cir. 1996); and; Pg 652; Brady v. Maryland, 373 U.S. 83, 104 L. Ed. 2d 215, 83 S. Ct. 1194 (1963). This hold (catcher's crouch) is impossible to apply in that position. Now, P.O. Curtis Thomas arrives second in a University of Chicago uniform; and, he says, on witness stand; that the victim's head was still moving; and he did not give "CPR" because dirt was on the victim's mouth, in the Mistrial. P.O. Officer Thomas also arrives with no gun; but, Rachel Schram says, they both had guns out when they arrived. His hold on stand, at Mistrial; he says, hold was with myself and the victim's feet, both are feet, were facing same direction. Rachel Schram talks about guns out twice at November of 2010 trial; and this is in transcripts too. Also, I wrote Illinois Attorney General Kwame Raoul a letter to get this University of Chicago police report dated March 6, 2004 and incident report # Q-0531; by the two officers; and they also worked for the City of Chicago Police force; using the Freedom of Information Act; and, this request was denied. This report is key evidence. Then, on September 24, 2008; during a traffic stop; that Police Officer Jaehq Jung insists, on this day, that I confessed to how the victim died, and also, how I had sex with my first attorney named Barbara Klein. For over a year, going to trial every month; the traffic Judge throws the entire case out and statements out, with the three bogus tickets out on October 15, 2009. Judge Mary Brosnahan brings statements over; after, trial for DUI was thrown out. Plus, from all this happening; and; I informing Internal Affairs on 9/25/2008; Attorney Barbara Klein quits as my lawyer; and turns case over to an unprepared Attorney Eric Dunham. And, this also causes my Double Jeopardy Trial to get thrown out. This collusion and Prosecutorial Misconduct; leads to, my Wrongful Conviction. *AS*

The Statement of Jurisdiction.

The Appeals Court denied my Motion for Mistrial Transcripts on October 23rd, 2020; And; The Appellate Court denied both my Appeal and Appointment of Counsel on the same day, both dated January 25, 2021; and; by myself being indigent, the Appellate Court violated my 14th amendment right to due process and equal protection. My Motion to Re-Open my Appeal Case is dated Feb. 1st, 2021, it was efiled first, then mailed on Feb. 4th, 2021. Denied March 2nd, 2021. Refiled on March 15th; Motion for Rehearing of Appeal.

* Appeal Case # 20-2913. Chief Judge Diane S. Sykes. (Start Date 10/5/20) Submitted Date: January 12, 2021. Decided Date: January 25, 2021. United States Court of Appeals. Re-hearing Denied By Chief Judge Sykes On March 2, 2021. Federal Habeas Corpus Case # 1:18-cv-01574. Started 3/2/18. End Date 9/21/20. Judge John R. Blakey. - Dennis J. Edwards - Petitioner v. Kim Larson - Respondent. H.C. Attorney Mark Almanza was my Pro Bono lawyer; it ineffective assistance of counsel. My Autopsy Expert, Dr. Werner U. Spitz at both the Mistrial in June of 2006 and November of 2010; was approved and qualified as an expert in his field by the Jury and the Courts. On the witness stand at both trials, Dr. Spitz presented two separate autopsy reports; due to, over four years lapsed; and both autopsy reports, and his testimony at trial proved the victim died of an heart attack. No extra money was paid to Dr. Spitz; Assistant States Attorney Kimellen Chamberlain tells the Jury and the Courts several times; and in closing arguments we paid Dr. Spitz extra money to lie. The Courts can check the evidence submitted by Dr. Spitz; the transcripts from trial; and the medical documents from the Medical Examiner's Office to verify what is true; and then, look at Doctor Nancy Jones' autopsy report who, was also the Assistant Medical Examiner; and notice the difference in her March 6, 2004 autopsy report. The Medical Examiner's Office address is: 2121 West Harrison St; Chicago, Illinois 60612. They have the victim's entire medical reports. Cook County Case # 04CR1690 for Chicago, Illinois, for Dennis Edwards. Incident happened March 6, of 2004, and victim's name is Ada Allen Scott; and her married name is Scott; she has "two separate police reports" with criminal activity, and felonies also. Judge Brosnahan; left all her crimes, from trial.

Police officers for City of Chicago; and same two, security officers for also the University of Chicago arriving first on the scene; and at both trials; their names are Police Officer Curtis Thomas, badge #'s 20199 and U.C. # 1050; P.O. Clifton Thurman, badge #'s 11310 and 13653. Police Reports: for the City of Chicago, number: HK223040; and University of Chicago # Q-0531. At Mistrial by Judge Egan in June of 2006, both police officers on witness stand had different and conflicting stories on victim's head-lock, that they stated, it was a choke hold. Both Dr. Spitz and Dr. Nancy Jones both stated on the witness stand to the Jury, the Courts, and to Judge Mary Brosnahan that the victim had no internal damage to the neck or neck area; and; the victim had no external damage to the neck or neck area. So, there was only a scar around the side of victim's mouth. The November of 2010 trial; by Judge Mary Brosnahan, both police officers change their testimonies on witness stand again. And, these testimonies by both cops are in both transcripts. In Appeal Case 20-2913, I file a motion for Mistrial transcripts; being indigent, and it is denied by Chief Judge Diane Sykes. In the final decision in my Federal Habeas Corpus; the Courts and Judge Blakey, they do not deny this police claim of perjury; then; in my Appeal, the police claim of perjury is denied by Chief Judge Diane Sykes, with no explanation for police denial claim; and; her denial, of all six claims either. My witnesses before Mistrial, talked to cops; witness Penny Strickland, her I.D. discovered in Dec. 2005; Ms. Strickland talked to my attorney, Attorney Barbara Klein before Mistrial; and; a no show for Nov. 2010 trial. Never got witnesses statements from cops; but, I know Attorney Klein talked to them.

The Statement of Jurisdiction

Judge Mary Brosnahan and the Assistant States Attorneys okay's Attorney Barbara Klein at pretrial, and trial as an witness, at November of 2010 trial; and my attorney, Attorney Eric Dunham does not even subpoena her to prove my innocence. Penny Strickland is the missing witness who ran from the scene; her full name was discovered later; when hidden I.D. of her was found by myself in December of 2005; and missing I.D. was hid by the "States" witness, named Rachel Schram. Where are these police reports? Attorney Klein handled also the Double Jeopardy Trial right after the Mistrial in June of 2006. During the year long DUI incident, Attorney Barbara Klein hands my entire case over in 2008 to an unprepared Attorney Eric Dunham; with no help afterwards by her; and Attorney Dunham at November of 2010 trial subpoenas zero of my witnesses; and; all these names, were submitted to Judge Brosnahan and the Courts and okayed as witnesses. In Habeas Corpus Trial, in their claim, they (falsely) claimed my witnesses were not valid. Penny Strickland can prove the victim stole her I.D.; and can prove the "States" witness Rachel Schram lied on the witness stand; and Rachel Schram was coached. Also, Cheryl Fields and Warnice Robinson can prove Rachel Schram lied when she was in the back of yard. Only Rachel Schram could of ran the missing I.D. of Penny Strickland back in to the condo. When, she ran into the condo the first time, and second time, why did she not call the police; phones were in every room of condo? Warnice Robinson was the "States" witness at Mistrial, who proved she heard someone shout several times to call the cops; that was what she heard; and she, helped my testimony; however, she was a no show at November of 2010 trial.

Traffic Judge for DUI on October 15, 2009 throws all three bogus tickets out, including the fabricated statements about me and my lawyer having sex; and also throws out my fabricated confession. In November of 2009; at pretrial, for the November of 2010 trial; Judge Mary Brosnahan brings over from DUI; the fabricated confession. Judge Egan hands my case over to Judge Brosnahan, without our consent; or, she does it on her own. P.O. Jaeho Jung (#13387) told all bogus lies to Courts; incident happened Sept. 24, 2008.

While bonded out, I reviewed one of the copies made of the VHS video that was set up by video person Dawn Evers; at 51st State St. Police Station; and this is how I discovered how the video was edited by Assistant States Attorney Jeannie Bischoff on March 6th of 2004; and a couple of hours later on the same day of incident; Dr. Nancy Jones finishes up her autopsy report; and it's dated March 6, 2004. When Attorney Barbara Klein gets her copy of Dr. Jones autopsy report; I later compare her autopsy report with our autopsy expert's report, by Dr. Werner U. Spitz; and I notice again, Dr. Jones' autopsy report is incomplete; I tell this to Attorney Klein. Attorney Barbara Klein says to me, you watched video several times, can you prove VHS video is edited; and, I say "Yes, I can prove it." Then; video is altered again, when they convert it to a DVD; it's now mostly a close-up of my self only in video. Attorney Dunham objects to videos coming in as evidence; and Judge Brosnahan brings both videos in, as exhibit 30A and 30B.

From address of the Medical Examiner's Office I write Chief Ponni Arunkumar; and; I get from her Office; the official autopsy report of Ada Allen (Scott) for the day of incident on March 6th, 2004. All other "official" reports, are at Chicago address; for a small fee. From "their" autopsy report, I file for, my Post-Successive Petition in July of 2017; and; as of today, no reply back in 2021. Then, after my filing; I find out about Dr. Nancy Jones; and during my trial, she was an Assistant Medical Examiner of Dr. Jones "Scandal"; and how it went viral in Chicago Newspapers, and the internet. Dr. Jones was caught hiding and piling up of bodies in several places in January of 2012; and; this was right after my hurried up November of 2010 trial.

Conclusion.

— The medical facts are already documented; that the victim died of an heart attack. Somehow, the "State" chose to ignore the facts; and it was hidden from the start of the Mistrial in June of 2006; and; the collusion by the "State" grew. The best case scenario is ; to review all: the documents, police reports, witnesses, and all the transcripts; before trial. Then, we can either go to trial; or; reverse my verdict and have my case and trial acquitted. And, I'll be blessed; to get my freedom back.

Respectfully Submitted,

Dennis James Edwards
