QUESTION(S) PRESENTED

So Without such evidence  
Did officer have probable cause  
to stop me, search me. Then he pressured  
me, forced me to confess to a crime i didn't commit.  
Then he bribed me to act dishonestly while he  
talks to the DA about my sentence.

Why are they convicting the innocent.  
Where has my innocence gone to?  
Why wasn't i allowed or given a chance to  
speak the truth. Why injustice, why we  
getting railroaded in the system.

Why did i only get 1 plea offer not 3.  
and had a gravity score, no prior criminal record.  
Why was i faulty, wrongfully convicted.  
With a lot of errors

## STATEMENT OF THE CASE

The Deviation From the guidelines range was unreasonable and to far excessive. Court also failed to give appropriate weight to circumstances of the offense and defendant's background.

In court i was presumed innocent. Guilty plea was unlawful. Guilty plea proceedings was it made knowingly, voluntarily, and was impermissibly deficient.

Rule 590 states that sentences can't be run consecutively commands a reversal of sentence and plea be vacated. Again this is insufficient to link me into a crime i didn't commit. Clean slate bill, Crim. P. 25 arguing my conviction must be vacated because the holding of me applies retroactively. Prosecution must submit DNA evidence to support there case but they failed to turn over any to judge.

Burden of proof by the prosecution should of been case closed. lack of evidence despite omission. False imprisonment cause report was written up the test was even done.

### REASONS FOR GRANTING THE PETITION

To Whom this may concern  
I am no criminal, monster, I am caring, loving person, Father. I used to coach kids in rec. sports, help out at the preschool center where my children attended. Watch my cousins, nieces, nephews when there parents worked. took my son to CCD classes then to church. I helped out kids in my community by fixing there bikes for them or putting air in there tires for them. i would never hurt a child that is 100 percent truth you can ask anyone.

Under Sixth amendment and Second chance act of 2007 implemented by Congress, everyone deserves a 2nd chance. Also Da Failed to Show Facts, Medical report to the judge. Maybe it would OF been case closed. No Dna to link me into the crime. No Dna test results were negative. Your Honor Justice is suppose to be served through facts, evidence, truth, justice that Da Couldn't show or prove to you.

## CONSTITUTIONAL AND STATUTORY PROVISIONS INVOLVED

Constitutional protects against being punished for same charges only. One violation of statute the court's instructed. Why wasn't there any consideration given to my constitutional rights. I was given a harshest sentence that is unconstitutional. Rule 11a4 that was adopted in 1983 to codify the procedures applicable to challenge the insufficiency, nor insufficient of evidence to convict. Faulty, inaccurate of data to point the finger at defendant and say that's the one. Some people get convicted under erroneous interpretation of statute.

I should get recognition cause I am here by miscarriage of justice.

## **CONCLUSION**

The petition for a writ of certiorari should be granted.

Respectfully submitted,

Peter Sorokaput
