## **CONSTITUTIONAL AND STATUTORY PROVISIONS INVOLVED**

### STATEMENT OF THE CASE

This case as in all cases are predicate acts<sup>n</sup> by State Prison officials aiding the State of Texas in its Racketeering cover-ups. The theft of mail and legal books worth over (\$1000.00) dollars simply confiscated by Sgt. Ricky King and Capt Michael Black. Letters written to the Dept. of the Central Intelligence Agency warning them about Gov Rick Perry's Racketeering crimes were missing. Sent by Cert. Mail. Petty things like stepping my money making it difficult to pay court fees and stepping me from purchasing legal supplies, such as stamps, envelopes forcing me to become "indigent", then denying me legal materials. The same as they are doing again today May 5th, 2024.

## Statement of the Case

This case is related because it also is aimed at thwarting my efforts to present my case and evidence to the courts, media and government Depts. My presence at this Unit was for observation only. This Unit, the House Unit is for Mental Patients taking Programs. Other inmates are there but they work as support; cooking, cleaning, maintenance etc. I did neither... but I was exposing State Racketeering crimes. This unit is used to closely monitor prisoners activities and to control them. In order to stop them stealing my mail, I had to allow myself to get into trouble wherein I would be transferred. This case stems from-

Case No. 19-20717 wherein I was exposing  
State Racketeering crimes, as well as my  
Actual Innocence, I'm a State of Texas  
Political Prisoner. All this evidence is now  
in the Supreme Court's Clerk's Office waiting  
for the Innocent Project to correct issues  
presented by said Clerk. The State has been  
actively and continually retaliating against  
me since 2012 to this day, hence why  
there are so many civil cases, most related  
to the suppression of the State Racket-  
eering crimes, either by the theft of  
lawbooks, legal and medical or Government mails,  
freezing or sending back my money to prevent  
my paying court cost or purchasing legal sup-  
plies. I wrote the Harris County District

Attorney's Office on April 2~~nd~~<sup>nd</sup>, 2001 or  
so and received a phone call wherein the  
Attorney General asked me to Drop my  
Complaint. . . One must look at the whole  
when considering State Recklessness cover-  
ups which brought about all these civil  
cases as well as the crimes themselves.  
It's extremely important to first see  
the evidence in Case No 19-20717. Read  
the Certiorari and view the exhibits.

They go hand in hand and prove: (1)  
My Actual Innocence; (2) Corporate crimes;  
(3) State cover-ups for those Corporate  
crimes. In doing so the entire picture  
becomes clear. It becomes clear that I

am a Political Prisoner, intentionally  
imprisoned by a One-sided trial and  
the duping of an unaware jury. See jury's  
Questions to the Court during their deliberations.  
One must remember Z was exposing both  
Judge Gilbert and Gov. Rick Perry during the  
time of their elections... Both of them and  
Dr. Dreyer, Baylor and Texas Children's Hospital  
all covered-up Dr. Dreyer's crimes, including  
the Texas Medical Board's Director, Dr.  
Irvin Zetler, hired by Gov. Rick Perry at his  
"discretion". Because all this can be proven,  
the cover-up goes all the way to the Fifth  
Circuit Court, paid off no doubt by Baylor  
who's been bribing everyone else.

It's been the Texas Attorney General's  
office who's been in charge of ~~of~~ the  
State's Racketeering Operations and no  
doubt protect the State's interests and  
the Governor's. Keeping a lid on scandals  
like this one is their job, including keep-  
ing me falsely imprisoned and silenced,  
which is why they called me once I  
wrote the Harris County P.A.'s Office  
to have Dr. Dwyer prosecuted. Viewing  
Case No. 19-20717 is necessary to understand  
these "predicate acts" and the State motives.

#### REASONS FOR GRANTING THE PETITION

Under Supreme Court Rule 11; See 28 U.S.C. § 2101(e); "imperative public importance". The importance to the public, especially the Texas people, its citizens is the fact that this State imprisons innocent people who blow the whistle on State Racketeering crimes. They protect Corporations by using State Government Departments, such as the Texas Medical Board to protect Corporations who pay them from their criminal liabilities. To Texas State officials it's better to imprison an innocent man than to expose Corporate crimes. That's why this case is important to the public. Also the Texas courts are being used as a tool by Corporate Racketeers and

1.

## Receivers

State Reckless to have innocent whistle-blower imprisoned. The trial transcript tell the complete story and the exhibits prove these facts. Hence the people of Texas cannot rely on a fair tribunal here in Texas under the present government. This is of imperative public importance. The medical complaints have no fair tribunal either, as the State Reckless are profiting off any State Dept. it can compromise; to extort bribe money or obtain public funding. It is of imperative public importance to know whistle blowers or any innocent person in Texas who get crosswise or between a judge or politician and his money will go to prison for it.

My dear Mr. T. I have just received  
your letter of the 10th inst. and am  
glad to hear that you are well.  
I am feeling better than I have  
for some time. I have been  
very busy lately, but I will  
try to write you more often.  
I hope you will be able to  
visit me soon. I would like  
to see you very much. I am  
yours truly,  
J. M. T.

## Reasons

imperative public importance. The

total deprivations of all my Constitutional rights is of imperative public importance.

The appointment of corrupt counsel to defend me, who was part of the State Conspiracy is of imperative public importance.

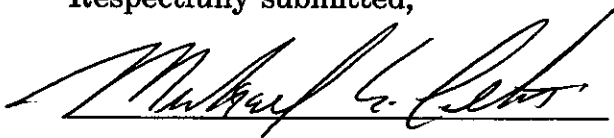

It's important for the public to know that their Constitutional rights are for sale and their lives when Corporations pay for State protections.

It's important to know that justice is a Marketing tool, and that Texas Politicians really are corrupt and even run a Criminal/Racketeering Operation out of the Capitol Building.

### CONCLUSION

The petition for a writ of certiorari should be granted.

Respectfully submitted,
