## ORDER

Scott Deichsel seeks a certificate of appealability to challenge the district court's denial of his petition for a writ of habeas corpus under 28 U.S.C. § 2254. We have reviewed the final order of the district court, the record on appeal, and all of Deichsel's filings in this court. But we find no substantial showing of the denial of a constitutional right. *See* 28 U.S.C. § 2253(c)(2).

Accordingly, the request for a certificate of appealability is **DENIED**. Deichsel's motion for counsel, motion to amend, and all other motions likewise are **DENIED**.
