INFORMATIONAL DESK REPORT

I spoke with Brenda White who came to the station and gave the following information. In 2007 White had surgery at the Southeast Surgical Hospital by Dr Gary Wocks on her right ankle. Since that time White has suffered a number of other complaint including nerve damage she says she did not suffer before the surgery. In 2011 she filed a complaint with the circuit court regarding negligence on the part of Dr Wocks and Southeast Surgical Hospital. That has since turned into a complaint with the Attorney General's Office. White was advised to file a report with WPD as part of the process. She said she could provide copies of any documentation if is requested.

Brenda White came in to the Warren Police Department front desk lobby on September 14th, 2020 at approximately 1600 hours, advising me of the following in regards to this Call For Service. She would like to make some changes in regards to the original information within this CFS. White wanted to advise that the original complaint was filed in 2012, not 2011 through Macomb County Circuit Court. The Doctors names is Dr. Gary Docks, not Dr. Wocks. White has a same related case, Brenda R. White vs. EDS Care Management LLC and Travelers Indemnity Company (A workers Compensation case). Attached to this CFS is 35 pages of documents in relation to the original complaint, provided by Brenda White.

Citizen Inquiry # 2020-0294519-A

Attorney General Nessel has asked me to reply to your request that the Attorney General intervene in several cases that you are a party to in various Michigan courts and tribunals. I regret the delay in responding to your inquiry. This Department receives hundreds of letters and emails each week, making some delays inevitable.

The primary responsibility of the Attorney General is to act as legal counsel for State of Michigan departments, agencies, and employees, as well as to issue opinions to members of the Legislature and department heads concerning legal issues that affect state government. These powers and responsibilities are set by law. The law does not permit the Attorney General to provide legal services to private individuals or intervene on your behalf in specific cases.

Accordingly, you may wish to contact a private attorney for advice regarding legal remedies available to you. If you need help finding an attorney in Michigan, you may contact the State Bar of Michigan's Lawyer Referral Service at its toll-free number, [1-800-968-0738](tel:1-800-968-0738). The service is available 8:30 a.m. to 4:45 p.m. Monday – Friday. For a \$25 administrative fee, a referral assistant will match you with an attorney who will provide up to a 25-minute initial consultation free of charge. You can also find information online at: <https://lrs.michbar.org/>

If you have a complaint concerning the conduct of a specific judge, such complaints fall within the exclusive jurisdiction of the Michigan Judicial Tenure Commission. Because of this exclusive jurisdiction, the Attorney General does not have authority to take action against judges. Evidence of judicial wrongdoing should be submitted to the Commission at:

Michigan Judicial Tenure Commission  
3034 W. Grand Blvd., Suite 8-450  
Detroit, MI 48202

Thank you for taking the time to share your concerns with the Attorney General. I hope this information is helpful to you and that this matter is ultimately resolved to your satisfaction.

Licensing and Regulation Division

Dear Ms. White:

This letter is written to stress what I indicated during our recent telephone conversation. Attorney General staff members have had numerous conversations with you over the past few years and have sent you several letters stating our position. We see no legitimate basis for our involvement in the matters you identify. As I indicated during our telephone conversation, we simply have nothing further to say.

You have asked the Attorney General to represent you and/or intervene on your behalf in several civil legal claims and administrative proceedings. You have also requested that we initiate criminal proceedings against several judges, attorneys, adverse parties, public officials and others who refuse to grant you the relief you request. We have reviewed your assertions several different times, but it is clear that there is no valid basis for us to act.

Notwithstanding my clear and unambiguous response to your prior inquiries, you continue to bombard me with recordings of your telephone conversations with various courts, administrative agencies, public officials and others. There simply isn't anything presented in those recordings which would justify any action on the part of this department.

I wish to make it clear. We have closed the files on any and all complaints you have filed and will not be taking any action. We are not now conducting any type of investigation on the matters you raised. We consider the matters at an end.

Sincerely,

Richard L. Cunningham  
Assistant Attorney General  
Criminal Trials and Appeals
