Re: David E. Henry v. Castle Medical Center, No. 20-869

Dear Mr. Harris:

We represent Respondent Castle Medical Center in the above referenced case. Petitioner David E. Henry mailed his Petition for Writ of Certiorari on December 21, 2020, which was placed on the docket on December 30, 2020. Pursuant to Rule 15.3 of the Rules of the Supreme Court, Respondent's brief in opposition is due by January 30, 2021. Pursuant to Rule 30.4, we respectfully request that the time for Respondent to file its brief in opposition to the Petition for Writ of Certiorari be extended by sixty (60) days, to and including March 30, 2021.

This is Respondent's first request for an extension, and good cause exists therefor. Apart from this case, we represent other clients in other matters requiring substantial time from us over the next two months. We also must work with a printer for the brief in opposition, which adds significant additional time. The requested extension would better enable our preparation of a brief in opposition that would be as helpful as possible to the Court. Counsel for Petitioner, Dennis W. King, Esq., has informed me that Petitioner does not object to this request.

Thank you for your kind consideration of this request.

Very truly yours,

TORKILDSON KATZ
