Re: *Alaska v. Wright*, No. 20-940

Dear Mr. Harris:

I am counsel for respondent Sean Wright in the above-referenced case. Respondent's brief in opposition is due February 12, 2021. Pursuant to Rule 30.4, I respectfully request an extension of 30 days, to and including March 15, 2021, to file the brief in opposition. This request is necessary because I was not involved in this case until very recently and other matters will demand my attention in the next few weeks.

Sincerely,

Stuart Banner
Norman Abrams Distinguished Professor of Law
