Stating The Facts

I, Angela Thigpen Plaintiff affirm that, Employees represented by Local Union 807 participate in three employee benefit plans.

- ① One of these is the Local 807 Labor-Management Pension Fund. This is a defined benefit pension plan that provides pension benefits for the life of a retiree and, if elected by the retiree, benefits to a beneficiary.
- ② There is also a plan that provides health, vision, hospitalization and similar benefits called the Local 807 Labor-Management Health Fund.
- ③ Finally there is a profit-sharing plan (sometimes called an "annuity plan"). This is also a retirement plan but instead of providing monthly benefits for a retiree's lifetime, contributions are made to an account in the name of each covered employee.

You see the Local 807 Labor-Management Pension fund apparently is lying to me.
