SUPREME COURT OF THE
UNITED STATES
OFFICE OF THE
CLERK

RE: Washington V. Administrator
USCA3 NO. 19-2867

Date: August 20, 2020

NOTICE OF MOTION TO DIRECT THE CLERK
TO FILE THE PETITION OUT OF TIME

A) I, Robert Washington Jr., of full age kindly ask the Court Clerk of The United States Supreme Court to file my writ of Certiorari that was previously submitted and denied from being deemed out of time. Along with this motion is a resubmittal of the petition with no copies unfortunately because just as the reasons of me being out of time originally this prison I am currently residing at is still affected by the pandemic and all movements are restricted as for law library, trades, exc. Currently at this time I am unable to get any legal work, or help, because the library is closed. To reiterate I had no idea as everyone that the pandemic would pop up during my 90 days to submit the writ of Certiorari petition, and being that our legal services, plus the state courts had closed I believed that submitting any motions, petitions exc. would be pointless. I may have been wrong but yet still that doesn't change the fact I was unable to retrieve any legal work, or assistance. The petition sent to you have been given to me by an inmate who happened to possess the application for the writ of certiorari. There was an attempt for a rehearing in which was cancelled on 1/14/2020 because of deficiencies.

B) Along wit petition are material evidence supporting the gap / Jail time credit, and prosecutorial misconduct claims presented by me where their has been Constitutional Rights Violations. Specifically put, I humbly ask you the court clerk to please file my petition for writ of Certiorari Out of Time. Please disregard all errors as for without proffessional help I am somewhat lost! good day!

Proof of Service

Please know that all statements addressed are true bill
and if not I the petitioner shall be punished by law.

On the date of August 20, 2020 this motion along
with petition for Writ of Certiorari has been served
by mail to the Clerk of The United States Supreme
Court, Washington D.C 20543

ADMINISTRATOR SOUTH WOODS STATE PRISON, et al.

(D.N.J. Civ. No. 1-17-cv-03439)

Present: RESTREPO, PORTER and NYGAARD, Circuit Judges

Submitted are:

- (1) Appellant's request for a certificate of appealability; and

ORDER

Appellant's application for a certificate of appealability is denied. See 28 U.S.C. § 2253(c). Jurists of reason could not debate that the District Court correctly dismissed his 28 U.S.C. § 2254 petition for essentially the reasons set forth in its opinion. See Miller-El v. Cockrell, 537 U.S. 322, 327 (2003).

s/ David J. Porter
