Re: *Mark A. Di Carlo v. James Swartz, Jr., et al.*,
Case No 21-1074

To the Clerk:

Pursuant to Supreme Court Rule 30.4, please let this letter serve as Respondents' request for an extension of time, up through and including April 7, 2022 in which to file a brief in opposition to Petitioner's Writ of Certiorari.

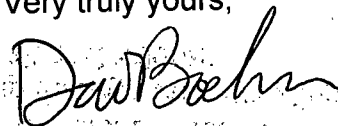

The reasons for the request are that counsel for Respondents recently submitted applications to be admitted to the bar of the United States Supreme Court and are currently awaiting approval. Furthermore, while Respondents have been working diligently on their brief in opposition, the press of other business matters and the ongoing pandemic have caused significant delays in being able to finish the brief. Thus, additional time is needed. This request is not being made for the purpose of delay and no party will be prejudiced by the granting of the extension.

A copy of this letter is also being served on the Petitioner as follows via regular mail:

Mark A. Di Carlo
722 Elizabeth St.
Corpus Christi, Texas 78404

If you have any questions, or need additional information, please do not hesitate to reach out.

Very truly yours,

David H. Boehm
